

## RESOLUTIONS ON GENOCIDE

The following is the text of the two resolutions relating to genocide which were also passed by the General Assembly on December 9.

### **Resolution relating to the Study by the International Law Commission of the question of an international criminal jurisdiction:**

The General Assembly,

CONSIDERING that the discussion of the Convention on the Prevention and Punishment of the Crime of Genocide has raised the question of the desirability and possibility of having persons charged with genocide tried by a competent international tribunal,

CONSIDERING that, in the course of development of the international community, there will be an increasing need of an international judicial organ for the trial of certain crimes under international law,

INVITES the International Law Commission to study the desirability and possibility of establishing an international judicial organ for the trial of persons charged with genocide or other crimes over which jurisdiction will be conferred upon that organ by international conventions,

REQUESTS the International Law Commission in carrying out this task to pay attention to the possibility of establishing a Criminal Chamber of the International Court of Justice.

### **Resolution relating to the application of the Convention on the Prevention and Punishment of the Crime of Genocide with respect to dependent territories:**

THE GENERAL ASSEMBLY recommends that Parties to the Convention on the Prevention and Punishment of the Crime of Genocide which administer dependent territories, should take such measures as are necessary and feasible to enable the provisions of the Convention to be extended to those territories as soon as possible.
