Men's Outing and
Fancy Shirts,
Thursday, 55c

We bought these shirts right. In fact, we bought them at about cost of making, for the factory's problem was to keep their employees busy at a slack time, so they made several big lots for us, practically at our own price. There are also a few EATON-made shirts, the materials of these being ends and balances left over from various fine grade shirting materials. There's almost unlimited variety, single, double or cluster stripe patterns in blue, black, tan or mauve. Some shirts have separate soft collar to match; others have stiff neck bands only; others are stiff or soft cuffs and most are coat style. Also outing shirts in plain white or various stripes, made with attached soft collar and cuffs. Sizes in the lot from 14 to 17, and special arrangement of sizes will be made to help you find your size quickly. Not more than 4 shirts to a customer, and we cannot promise to fill phone or mail orders. Sale price, Thursday, each 55c

Men's Two-Piece Bathing Suits, a special shipment of the "Penangle" brand, secured away below the ordinary cost. Made of medium weight cotton, have quarter sleeves, low neck and the trunks are loose, knee length with draw string. Black with red trimmings. Sizes 34 to 42. Sale price, Thursday, suit 69c

MEN'S LIGHT-WEIGHT 2-PIECE BALBRIGGAN UNDERWEAR, GARMENT, 25c.

Here's a rare bargain consisting of a notable special purchase added to various balances of lines from regular stock. We cannot repeat any of these lines and we promise that those who get here while they last will secure an undergarment saving extraordinary. Plain weave balbriggan, natural color or white, long sleeve shirts, ankle-length drawers, saten facings and close-ribbed cuffs and ankles. Sizes in the lot from 34 to 42. We cannot promise to fill phone or mail orders and not more than 2 suits to a customer. Sale price, Thursday, each garment 25c

Cots--From the Camp Cot Shown Below at \$1.75 to the
Bed Couch Illustrated on the Left at \$8.50

A Couch by Day and a Bed by Night for Camp, Verandah, Sunroom or Any
Other Room

Summer time is visiting time, and sometimes the home is taxed to accommodate the guests. A cot or two will, perhaps, answer the problem. Summer time is also camping time and sleeping out time, in which connection cots are very useful, so that these few items should prove of interest to many.

The camp cot illustrated on the right is a convenient one for transporting or storing and is comfortable in use. It is 72 in. long; has wood frame with woven wire top with copper wire side supports. It has folding legs and head rest. Price 1.75

A compact army cot (folding type) has wood and steel frame and canvas top. Size 30 x 72 inches. Price 2.90

The bed couch, as illustrated on the left, is a most convenient one, for it can be used as a couch, a single bed or a double bed. It consists of two steel frames with wire springs fitting one inside the other and which can be pulled out to form double bed. The tufted mattress is also double and can be opened up to cover.

Upholstered in green denim with valance, etc. Price, each, complete 8.50

FERN BOXES, FLOWER STANDS AND VERANDAH TABLES HALF PRICE.

Fern Boxes, oblong shape, in cream and green finish. Half-price 2.45

Fern and Flower Pot Stands, cream and green finish. Half-price .95

Verandah Tables, green and cream finish, square tops. Half-price 1.65

—Furniture Bldg., Cor. James and Albert St.

THE EXORBITANT HEAT that "Old Sol" has delivered these last few weeks has begun to dry things up, and it is especially important to keep continually watering the lawn and garden, and to sprinkle special preparations on those plants, vegetables and flowers affected by injurious insects.

Rubber Hose, Lawn Sprinklers and Spraying Instruments are required and so we call attention to the following good values:

Reliable, well made Rubber Hose, both plain and ribbed: 1/2-inch at 15c 3/4-inch at 18c

Brass Couplings and Ferrules included without extra charge with orders of fifty feet and over.

Hose Reels, made of hard wood with iron wheels: 100 feet capacity. Price 1.00 200 feet capacity. Prices, \$1.50 and 1.75

Brass Nozzles to fit any rubber hose. Each 40c Very good value is offered in a Brass Ring Sprinkler at 75c

Crescent Shaped Brass Sprinkler that can be approached without turning off water. Price 2.00

The Bell Sprinkler with three spraying tips and stand. Price 2.00

For spraying trees, plants, shrubs, vegetables, flowers, etc., and for disinfecting garbage cans, chicken houses, etc., are the following devices:

The Syringe Spray, illustrated, is priced at 35c Another Spray with a glass jar container is priced at 65c

A Galvanized Air Tank Spray that can be used also for cleaning windows. Price 5.25

Ice Boxes for Campers, Cottagers, etc. Small Galvanized Ice Boxes that somewhat resemble a trunk in size. They have compartment for ice with drain pipe and nickel tap, and roomy space for provisions. The exterior is finished in an oak grain. Price 5.95

Small Nursery Ice Boxes finished in white enamel. Price 2.25

SMALL SPADES, 50c. We have just received a stock of small spades, 24 inches in length, that are very handy to take along on a motor trip to dig ferns, bushes, etc. They are made of steel, with wood D-shaped handle, and are priced at 50c

THE T. EATON CO LIMITED

How to Reduce Your
Electric Bill

Not So Very Long Ago gas lighting had the advantage over electric light in that it could be turned to any degree of brightness desired. But now, we have the Dim-a-lite, an attachment for turning the electric light up or down, just like gas. It's a separate attachment that fits into any electric socket and accommodates any bulb up to 40 watt. See it demonstrated in the Electric Fixture Room in the Basement. Price 1.50

We'll Tune Your Piano
for \$2.00

Pianos get out of tune even when they are not in use; different atmospheric conditions sometimes affect a piano more than actual playing. Our prices for tuning are:

Upright and Square Pianos, tuned by our experts, single tuning 2.00 Three times yearly 5.00

Player-pianos, single tuning 3.00 Three times yearly 8.00

HYDRO LINKS WITH
NIAGARA CO. TODAY

Adam Beck Declares
everything is Satisfactory
to Commission.

PRICE NOT AFFECTED

Government Will Allow Only
Surplus Power to
Be Exported.

Sir Adam Beck announced yesterday that satisfactory arrangements with the Canadian Niagara Power Company had been completed and that the hydro link up probably today and take over 12,500 horsepower. Speaking at the meeting of the Ontario Power Union yesterday he said, "Your municipalities will be given a good service and a full supply and will be able to compete successfully with the companies."

After the meeting Sir Adam conferred with Attorney-General Lucas and recommended that the connection between hydro and Canadian Niagara be made as soon as possible.

After Mayor Church had expressed dissatisfaction with the secretary for his interview during the North Perth election, Sir Adam addressed the meeting.

Some years ago, although the commission had only 100,000 horsepower contract, it knew that it had protection under the act of 1907 to provide for the limitation or prohibition of the export of Canadian power. In 1913, he

said, he had written to Sir George Elfray asking him to reduce the export. Sir George, then acting minister of inland revenue, had seemed sympathetic, but believed the United States had not sufficient warning.

Dick's Agree With Nesbitt.

In 1913, Sir Adam continued, the commission first approached the Canadian Niagara Power Company and offered \$150,000 per horsepower, finally making a verbal agreement with the company for power at \$12. He did not agree with Hon. Wallace Nesbitt when he said that he was always anxious to see the people of the province get power. After the commission had spent \$20,000 on a now line to the company's plant Mr. Nesbitt's concern had turned around and raised the price \$3 per horsepower.

Conferences followed, and Mr. Nesbitt eventually reduced his offer from \$5,000 to \$2,000 horsepower. He told Sir Adam "that he had been instructed by Mr. Graham that they would always be permitted to export at least half their power."

Mr. Nesbitt had claimed that the hydro had done him an injustice in using its influence to have power exportation prevented.

Mayor Church and several members thought that the municipalities now taking hydro should have first call on the new power. They thought they were being discriminated against when the new power was to be given to the municipalities.

The municipalities were not made to pay for the higher price of \$12. Sir Adam Beck pointed out that it was only fair to the government to say that the premier had promised on the floor of the house that when municipalities had passed by-laws for the making of contracts with the commission the matter of price would be handed over into their hands.

He did not anticipate, tho, that the price would be affected by the new supply.

Export Surplus Power Only. Under the legislation of last session, Sir Adam also said, rights-of-way for hydro radials could not be acquired

until after the war. He said that the Dominion Government had promised that an act would be brought down providing for subsidies for municipal radials lines to an equal extent to sub-sidies given such lines by provincial governments.

The question was asked, "What assurance have we that the export of power will be stopped entirely?"

Sir Adam replied: "I have every confidence that no government from now on will allow any export of other than surplus power."

When the Chippewa development work is completed in 1920, Sir Adam said, the hydro would dispose of power at a price to defy competition from any company.

ICE FAMINE YESTERDAY
HOUSEHOLDERS SUFFER

Trains Leaving Lake Simcoe on
Monday Were Late in
Arriving.

With the hot weather at its height Toronto suffered yesterday from a shortage of one of the greatest summer necessities, ice. In the morning there was not a sufficient quantity to supply householders and the dealers were anxiously awaiting the arrival of the trains which should have left Lake Simcoe on Monday night. They claim that the trouble is caused by the railway companies, who do not provide a good service.

Trains with ice began to arrive in the city shortly after 5 o'clock last night, but at that time it was too late for delivery.

Officials of the Grand Trunk Railway, which transports most of the ice from the Lake Simcoe and Lake Couchiching districts, promised that a good regular train service would be inaugurated, so it is not likely that citizens will suffer any further.

MORE WAR-SCARRED
HEROES RETURNED

Twenty-One Heartily Wel-
comed on Arrival in To-
ronto Yesterday.

FIFTEEN FROM CITY

Men Taken to Convalescent
Hospital and Royally En-
tertained.

Another party, containing 21 war-
scarred heroes, arrived in Toronto
yesterday morning. Of the 21 there were
15 men from Toronto and the re-
mainder from out of town. The men
were given a reception at the Conval-
escent Hospital, where brief addresses
of welcome were delivered.

Ald. Sam Ryding was at the station
to greet the arrivals. The mayor was
unable to be present, but was repre-
sented by Sgt.-Major Geo. Crighton.

The voluntary aid committee was pre-
sented by Dr. P. E. Toolittle, W.
H. D. McPherson, M.L.A., representing
the Soldiers' Aid Commission.

band of the Q.O.R. greeted the returned
men with martial airs as they left the
train.

Survivor of the Patriotic
Corp. Bennett Proudfoot, 738 Lans-
downe avenue, is a member of the
"Princess Pals" and has been thru all
the famous engagements with his bat-
talion, as St. Etienne, St. Julien, Ypres and
Festubert. He escaped from all these
actions unharmed. Later he was taken

ill and has been invalided home on that
account.

Pte. Joseph Keith Marshall, 118 Run-
nymede road, is also a member of the 55th
Battalion. He is only 16 years old and on the
1st of May a shell burst near him and
wounded him in the eye.

except Sunday. Sleeping car on 2:05
a.m. train, ready for reception of pas-
sengers night previous. Further in-
formation, list of hotels, illustrated de-
scriptive matter, etc., from Grand
Trunk City Office, northwest corner
King and Yonge streets, Toronto, 35

SURGEON MUST BE
MAINTAINED AT JAIL

Board of Control Will Discuss
Matter With Dr. Parry.

Property Commissioner Chisholm
started to protest to the board of con-
trol yesterday against the criticism
levied at him by Dr. Parry, surgeon
of the Toronto Jail, for his recently
expressed opinion that a paid doctor
was unnecessary at that institution.

"Bring your proof," interrupted Dr.
Parry, who was present at the meet-
ing.

"Well, if Dr. Parry denies it, then I
accept his word," replied the commis-
sioner.

"I deny ever having reflected on
anything Mr. Chisholm has done," said
the doctor. And the matter ended
there.

Dr. Parry informed the board that
under the act they must maintain a
Jail surgeon. Seven thousand prison-
ers went thru the institution last year,
he pointed out.

The board pointed out that they
were not criticizing his work, but
merely considering the advisability of
running the jail more economically.
They are going to talk it over again
with Dr. Parry on Thursday morning.
