Providence. R. I. June 19.—Larruping Larry Lajoie led his band of pennant chasers against the Greys this afternoon. It the first same of the series and lugged was the bacon by a 5 to 1 score. The same the first woo seasyons. What was no time in these two seasyons. What was the time the first inning and an 18-karat muft by Thomas gave the Naps two runs in the first inning and an 18-karat muft by Thomas gave them both runs in the second. But the Leafs had to get the his after the chance had been given to retire the side and they got them. Sole lenbach succeeded Schultz in the third and priched shut out ball, giving but three hits and two of these should have been outse with good fielding. Hearne was the choice of Manager Lajole and the big fellow went thru with colors living. Only once did he faiter and then with the score 5 to 0 he eased up a bit, but when the locals bunched two hits of samell after that. This was in the third inning, and counted for the only run made by the Grays. With one out Reha hit to right for a single, and scored on Powell's long trible to centre, that fast fielding by Jacobson held to three bases. The best Brainari could do was to ground to Bunny, while Onslow lifted a weak fly to Jacobson.

The day was dedicated to Manager Lajole, and his Wonnscoket and Fall River friends were out in some force, although the strength of the supplemental to left. Leafs played gilt-edged ball all the way and outclassed the locals in every department, showing barries of ginger and hustling every minute, while the Grays lacked severything but the desire to get under the pill for singles.

Altenhery singled to start off and was sacrificed to second, scoring on whiteman's double. Lajol

"That the Sportsmen's Patriotic Association and seconded by R. C. Newman, was passed:

"That the Sportsmen's Patriotic Association recommend to the minister of militia that a proper and systematic distribution of sporting goods be made by the government to the new units to be formed under the provisions of the proposed conscription act, which act the association headtly endorses, with the hope that it will speedily become law."

The secretary read a fumber of letters from officers commanding battalions overseas and in camps in Canada, thanking the association for sporting goods. The ladies who are conducting the picnic for convalescent soldiers and their families at Hanlan's Point, on June 21, applied to the S. P. A. for assistance. The association will provide a band and donate the prizes for the games.

It is proposed to hold another big boxing tournament, and to bring over two more well-known lights of the mitt game. The proposal is to hold the show during August; possibly in the open air.
