

## URGES SECESSION BY NEW ONTARIO

F. H. Keefer, M.P., Appeals  
to Colonization Association  
Convention.

Fort William, Ont., Nov. 24.—F. H. Keefer, K.C., M.P., for the riding of Port Arthur, spoke today before the convention of the Central Canada Colonization and Highway Association advocating secession from the province of Ontario and the formation of a new province to consist of the whole northern portion of the province, including the district of Patricia.

The speaker, who was introduced by Chairman A. Pitt, took issue with the government of the province on the expenditure of money collected in this northern district, saying that two million dollars was collected from it, over and above what was expended on it for grants for roads and other government services.

**Status of a New Province.**  
He claimed that financially, and from the standpoint of population and territory, the proposed new province would compare favorably with other new provinces at the time of their formation.

Mr. Keefer was accorded a kindly hearing, but no resolution dealing with the matter is likely to be brought before the convention, as all resolutions that will be considered at the present session were in the hands of the committee by Nov. 18.

**Would Join Four Ridings.**  
The convention, which is meeting under the presidency of Alfred Pitt, of Dryden, has already endorsed the formation of a union of municipalities, covering the four westernmost ridings of Ontario, Port Arthur, Port William, Kenora and Rainy River. This union is ready for organization under the chairmanship of N. M. Patterson, of Port William. Other resolutions include a demand for a commissioner to push colonization and industry in this district.
