

### IMPORTANCE OF BEGINNING AT THE OPENING OF THE SESSION.

Students are particularly reminded that in every case it is most desirable that they enter on their studies at the beginning of the School season. The full benefit of the course is thus obtained, and the work of the classes greatly facilitated. It is in fact a necessity, if pupils are desirous of obtaining the full advantages to be gained in the classes, that they enter at the beginning of the year.

### Situation of the School.

---

The Conservatory building, owing to the increased attendance, has been extended, until its dimensions are double what they were. The entire premises have been remodelled, making this the most commodious and best equipped institution of the kind in Canada. Among the additions is a spacious lecture-room for recitals, wherein pupils receive such training for platform work as will be of incalculable benefit in their future career. The building is situated in the heart of the city, corner of Yonge Street and Wilton Avenue, and within easy access of street car lines.
