ATHLETIC

Running Track at Mt. Allison.

Word comes from Sackville of a movement to build a running track around the football field at Mt. Allison University. The faculty have donated $400 towards the project, and students and graduates have pledged $300 more. A report says that the Intercollegiate track meet will be held at St. Stephen on May 26.

THE OAR

Toronto, April 29—(Special)—Eddie Durnan, today, wired Wray at Boston to the effect that he would accept the latter's challenge to row for the single sculling championship of America on Toronto Bay in July. Durnan says $1,000 a side is the smallest side bet he would consider. Durnan does not care particularly for the substituting of Charley Towns for his brother George, whom he was after to row on the Thames for the Sportsman's cup, nor does he like the shifting of the race over to 1908. He says George Towns promised him a race this year in England. It is likely, however, that he will prepare to row Charley Towns for the trophy in 1908.

THE TURF

HORSE NOTES.

A. Clow, the well known horse-buyer, purchased from Stephen Hughes, Emerald, on Monday, his chestnut stallion Just Right for a handsome sum. Mr. Clow intends leaving for St. John with him on Wednesday.—P. E. I. Agriculturist.

A horse buyer who has been out at Wallace last week, tells how he saw a mare there thirty-five years old, and her colt (if such can be called), running with her in the same field, aged 25 years. If the good people of Wallace had not our informant on the "sting," forage must be good there when stock lives to such ripe age.—New Glasgow Chronicle.

Mr. Dan Steele has added to his string, Parklin, 44,322, owned by E. B. Harnett, of Charlottetown. This promising two-year-old as his name will indicate, being called after his sire Parkside, and his grand sire Kremlin, was foaled in 1905 by Parkside, 4280, dam Koranna, by Kremlin, 13,327, grand dam Mariana, by Sorrento, 2164 was bred by Wm. Jardine, of Jardineville, Kent Co., N. B., and is a clean gaited trotter with lots of speed which with careful handling and training and developing of Mr. Steele promises to make it interesting for the two-year-olds at Halifax this fall.

F. DUNCANSON'S NEW PACER.

The fastest horse ever brought to the Maritime Provinces is Coney, Fred. Duncanson's new candidate for the free-for-all events. Coney is by McKinney, and is a half brother of Sweet Marie, the champion trotting mare, whose mark is also 2.02. Coney is a pacer, and has travelled in the fastest company in the world. He was owned by Williams Bros. of Indiana, and when they had their great sale last winter he was knocked down at a comparatively low figure. Mr. Duncanson purchased him after he had changed hands a couple of times, since being sold at auction, and the price dropped with each transfer. Mr. Duncanson certainly got a bargain. Coney has been in quarantine for about eight days here and caught a bad cold, which is causing his owner anxiety, and is under the care of Dr. Simons. Mr. Duncanson also owns Laura Merrill, a green mare of great promise, and Etta Mac. Just at present he is negotiating for a green pacer for a syndicate of local horsemen.

THE RING

MIKE (TWIN) MAY CLAIM WELTER WEIGHT TITLE.

It would not surprise anybody to learn that Mike Sullivan annexes the title of welterweight champion of the world to his name, notwithstanding that his fight with Mellody was at three pounds above the recognized championship limit, Sullivan may, with propriety, do this and then defy anybody to take the title from him, if he is able to make the weight, which few doubt his ability to do, as he has frequently fought at as low as 138 pounds. It is true that he was beaten twice by Gans, but that fact, in the light of Gans' subsequent performances does not dim the Twin's record in the least. Sullivan may claim the title. He may or may not be accorded the honors due a champion of the world, but he will at least have the satisfaction, if it is such, of tacking the title to his visiting card. It will look good anyway.

Here is the way Robert Edgren sizes up the situation:

"Either Mike (Twin) Sullivan is welterweight champion of the world—or there isn't any welter championship: in any case, the "champion" is a joke champ. Sullivan beat Mellody Tuesday night in Los Angeles, taking the decision at the end of 20 rounds of fierce fighting. About a year ago Joe Gans fought Sullivan for the same title and entirely outclassed the Boston man. This fight Tuesday night wasn't at the welterweight limit, 142 pounds ringside. So the title wasn't at stake, unless Sullivan weighed in at the welterweight figure.

"Honey Mellody having taken the title from Joe Walcott, has a notion that all he need to hold it indefinitely is to make his matches at a larger weight. He was matched at first with Sullivan at 142 pounds, but had the weight changed to 145, at the same time announcing that the fight was not for his title. The only reason Joe Gans isn't champion just now is that he retired a year ago and announced publicly that he would never fight again as a welterweight. It is up to Joe Thomas now to make a match with Sullivan at the real weight limit of the welter class. If he resigns on the weight question, too, we will have to hunt up a new claimant who isn't a middleweight in disguise."

Among those who are anxious to get a match with Twin Sullivan are Harry Lewis and Jimmy Gardner. Lewis received a decision over the Twin at Denver in a ten-round contest and the award has been uniformly condemned as unjust. A return match of 20 rounds ought to be distance enough to prove whether the Twin was robbed or not at Denver.

When You Take Cold

One way is to pay no attention to it; at least, not until it develops into pneumonia, or bronchitis, or pleurisy. Another way is to ask your doctor about Ayer's Cherry Pectoral. If he says, "The best thing for colds," then take it. Do as he says, anyway.

We have no secrets! We publish the formulas of all our preparations. J. C. Ayer Co., Lowell, Mass.

SIR CHARLES TUPPER APPROVES OF LAURIER

Famous Ex-Premier Endorses Sir Wilfrid's Stand at Imperial Conferenee---The Preference Question to be Taken up Last.

Montreal, April 29—The Star's London correspondent cables:

Sir Charles Tupper contributes a fourteen page article to the Nineteenth Century for May on The Imperial Conference. Speaking generally and especially after thirteen years' experience as high commissioner for Canada in England, he supports Sir Wilfrid Laurier's action in the conference in defeating the schemes for an imperial council.

He exposes what he calls the fallacies of Sir Frederick Pollock and the Right Hon. A. Lyttleton's proposal for a permanent commission to effect the continuity of the conference between meetings. He quotes many instances to show how efficiently this has been done throughout the secret diplomatic agency of the high commissioner.

The recent breakdowns in the relations of the colonies and the mother land, such as the Alaskan boundary and the New Hebrides affairs, were not brought about by colonial blunders, such as presumably Sir Wilfrid Laurier's early utterances on the Alaskan boundary question.

He shows how much of the trouble might have been avoided if these imperial and colonial governments had kept closely in touch with one another through the high commissioner.

Sir Charles suggests that all that is necessary is for each high commissioner's office to be made a department of its own colonial government, the high commissioner himself being both a privy councillor here and cabinet minister in the colony.

Sir Charles also supports Sir Wilfrid Laurier in opposing colonial cash contributions to naval defence. He proves that Canada has fully acted up to her defence duty to the empire as laid down by the imperial defence committee.

Sir Charles also submits cogent arguments and gives illustrations in support of the preference which is this week's subject of debate in the conference.

He warns the conference of the meaning of the intermediate tariff, as now being used by Sir Wilfrid Laurier to negotiate treaties with foreign powers without recourse to the agency of the imperial government, even without reference to the Canadian parliament. These treaties whittle away the preference. Moreover, it is conceivable that in the negotiations with Great Britain's astute industrial rivals, Canada may be so led to fix and limit the margin of the British preference as to bar the way to any further arrangement of mutual preference within the empire towards which the British electorate is undoubtedly moving.

In what may be his last lengthy public utterance, Sir Charles prays that the British empire be preserved from the disintegrating influences that overwhelmed so many empires of the past.

The colonial premiers had an off day today, Sir Wilfrid Laurier lunching with the Duke and Duchess of Connaught at Clarence House. The duchess invited the other ministers and their ladies to tea afterwards. The Duke of Sutherland gives an evening party at Stafford House tonight.

The preference discussions open tomorrow. It seems this deferring of the preference till the fag-end of the conference has been the subject of an animated, though of course, secret, discussion in the conference. Premiers Jameson and Deakin and others protested that all the premiers including Sir Wilfrid Laurier had declared that while they had no concern with British politics the preference was, for them, the paramount question. They asked why it was postponed to near the close of the conference. Excuses were made on behalf of the British ministry. It is understood Sir Wilfrid and his Canadian colleagues supported them so the preference was put in the back ground.

It seems certain, however, that some premiers will not refrain in this week's conference from frankly stating their fears of the results of Britain's negative attitude. Cape Colony has tabled a resolution threatening to withdraw the preference. Added zest is given to this colonial attitude by the Canadian ministers' negotiations over the head of the foreign office with foreign powers which is also expected to come before the conference by reason of the fact that the operation of the Canadian intermediate tariff may lessen the preference to other colonies as well as to Britain and may also tie up the whole question of mutual preference within the whole empire. Frank outspokenness of the colonial premiers in the hearing of the British people is exactly what the British ministers are anxious to avoid.

The Canadian Associated Press understands that Sir Wilfrid Laurier promised that if he found it possible he would accept General Botha's invitation to visit the Transvaal, but when Sir Wilfrid extended a like invitation to the Transvaal premier, Botha replied that it would not be possible for him to leave the Transvaal again for some years.

Sir Wilfrid Laurier has accepted the invitation of the London Gaelic Society to a Scottish concert to be given in honor of the colonial premiers on May 11. The freedom of the city will be presented to Sir Robert Bond on Wednesday morning at the Guild Hall.

Canadian satisfaction is expressed over the official announcement that Captain Kingsmill, former captain of the battleship Dominion, has been appointed to the command of the special service division of the home fleet at Devonport. The appointment indicates, as the Star's message forecasted, that the admiralty did not intend the calamity to the Dominion to impede Captain Kingsmill's promotion. He will become admiral next year and then be available for a further step upward.

Tiredness Comes in the Spring

What Are You Doing to Overcome It?

The cold of winter exhausts vitality and exposes everyone to disease. Spring is sure to bring tiredness and langour that will not go.

Spring sickness doesn't cure itself—the cause is in the blood, and that cause must be remedied. It is easily done with Ferrozone, a marvelous remedy that purifies the blood and expels those humors and poisons that depress and weaken.

Just think of it—Ferrozone uplifts the entire nervous system, renews the blood, makes it rich and red—gives the sort of aid that's needed in throwing off weakness and spring langour.

Tens of thousands enjoy the advantages of renewed health through Ferrozone;—if you'll only use it, you'll surely grow strong too; it's beneficial action is noticed even in a week,—you see it goes right to work, removes the causes of the trouble and then quickly makes a cure.

For those who sleep poorly and have nervous apprehensions, Ferrozone is a boon; it is a specialist in such cases.

Where there is paleness, poor appetite and langour, Ferrozone makes the patient feel like new in a few days.

In tiredness, nerve exhaustion, spring fever and debility, the power of Ferrozone is known from coast to coast and universally used with grand results.

Let Ferrozone build you up, let it win you back to robust health,—it will do so quickly if you give it the chance. Sold by all dealers, 50c. per box or six boxes for $2.50. Remember the name Ferrozone.

A $10,000 FIRE IN HALIFAX

Halifax, April 30—(Special)—A waterfront blaze this morning destroyed two large wooden buildings and damaged the warehouse of A. G. Jones & Co.

The night was calm or no one can tell to what extent the flames would have spread. The fire started in a junk store owned by A. Vincent and quickly enveloped the three-story building in which it was situated, owned by Capt. W. J. Nauss, spreading to the adjoining building, the property of Magnus & Lownds, who carried on a tinsmith and plumbing business.

At 2 o'clock the fire was under control. The loss is $10,000.

Miss Elizabeth T. Hustis

Sackville, April 26—Word has just been received here of the death at Charlottetown, on April 24, of Miss Elizabeth T. Huestis. She was a daughter of the late Rev. G. O. Huestis, who was a Methodist minister at St. John and Fredericton in the early sixties. Her home had been with her father in Lunenburg for a number of years. She went to Charlottetown last December. About eight weeks ago she contracted typhoid fever which, in spite of the best medical attendance, proved fatal. Miss Huestis had lately presented a number of valuable books from her father's library to the Ladies' College.

$100 Reward, $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system; thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address F. J. CHENEY & CO., Toledo, O.
Sold by all Druggists, 75c.
Take Hall's Family Pills for constipation.

New York, April 29—The Journeay and Burnham Company, one of the oldest dry goods houses in Brooklyn, today passed into the hands of a receiver. Upon application of its directors the court appointed a receiver William C. Phillips, the president of the company. The company is capitalized at $500,000. According to a schedule filed, the directors declare that there have been no profits from the business for several years. Assets to the amount of $255,000 are shown by the schedule filed and this is stated to be in excess of liabilities.

Mr. and Mrs. J. V. Ellis returned from Ottawa yesterday.

SAFETY BOARD

Several Matters Discussed at the Regular Monthly Meeting Last Night.

At the monthly meeting of the safety board last evening it was made public that for a number of years the N. B. Southern railway have been in occupation of six city lots between Ludlow and Watson streets, Carleton, for which no rent has apparently been paid and no record of any lease exists. It was regarded as doubtful if the city's title had not lapsed, and the matter was referred to the director and recorder to investigate.

A petition from ratepayers in the vicinity of the City road, complaining of danger and inconvenience caused by coal dust blown from the chimney of Maynes & Riley's grist mill, was read. The petition, which had about twenty signatures, set forth that the mill was using hard coal and a blower, which carried the partly ignited coal dust up the chimney and caused danger from fire to the surrounding wooden buildings. It was contended that the chimney was not high enough, and that the dust was a great inconvenience to passers-by.

Josiah Fowler, M. F. Manks, Blanchard Fowler and Chief Kerr spoke of the matter, the latter suggesting that the owners be indicted before the grand jury.

On motion of Ald. Bullock, the matter was referred to the chairman and Ald. Pickett, with the director, Chief Kerr and the recorder to take whatever steps might be considered advisable.

The following tenders for forty black and forty pearl helmets for the police force were opened:

	Each.
J. B. Bardsley	$3.50
D. Magee's Sons	3.75
Thorne Bros.	5.25

It was decided to accept Mr. Bardsley's tender as the lowest, the helmets to be to the satisfaction of the director and chief of police.

John O'Neill was given a renewal of the ground rent for his house, 109 Elliott Row, from May first at $3.40 a year.

Byron J. Grant was given a lease, for fourteen years at $8.50 a year, of a lot in Albert street, Carleton, on condition that the lease was not renewable and that there should be no valuation.

The consideration of the localities where additional electric lights should be placed was taken up. The director explained that, by including those already passed by the board, there was a balance of $198.50 before the limit of $22,500 allowed in the estimates was reached.

Ald. Willett thought a light should be placed on the Sandy Point road beyond Park street. After some discussion it was decided a light could not be placed there this year.

After some further discussion a light was added on the Marsh Road and on the corner of Peters and Waterloo streets.

The lease of a lot in St. James street was renewed to F. E. Holman conditionally on it being from year to year and no improvements. The rental is $10 a year, and the lot is used for gardening purposes.

The renewal of eleven leases on lots in Guys ward to Harry Driscoll at $6 a year each was passed.

Sergeant Hastings was granted five days' half pay for time he was sick.

A grant of $15 was made to St. David's church for the use of the tower for a fire alarm.

An application from A. Chipman Smith & Co., for a concrete floor in the basement of their premises in the Market building was left to the director with power to act.

KIDNEY DISEASE COMES ON QUIETLY

Perhaps no other organs work harder than the kidneys to preserve the general health of the body and most people are troubled with some form of Kidney Complaint, but do not suspect it. It may have been in the system for some time. There may have been backaches, swelling of the feet and ankles, disturbances of the urinary organs, such as, brick dust deposit in the urine, highly colored scanty or cloudy urine, bladder pains, frequent or suppressed urination, burning sensation when urinating, etc.

Do not neglect any of these symptoms, for, if neglected they will eventually lead to Bright's Disease, Dropsy and Diabetes.

On the first sign of anything wrong

Doan's Kidney Pills SHOULD BE TAKEN.

They go to the seat of trouble, strengthen the kidneys and help them to filter the blood properly and flush off all the impurities which cause kidney trouble. Mr. Thomas Petty, Massey, Ont., writes: "After I arrived in Canada from New Zealand, a couple of years ago, I suffered very much from kidney trouble. I tried several remedies, but they did me no good. Finally my back became so lame I could scarcely work. I was advised to try Doan's Kidney Pills and after taking them I felt like a new man.

Price 50 cents per box or 3 boxes for $1.25 at all dealers or mailed direct on receipt of price by The Doan Kidney Pill Co., Toronto, Ont.

LONGBOAT'S QUICK WIT

Ald. Graham of Toronto tells a good story illustrating the quick wit of Longboat, the Indian runner.

"When he and Mr. Ashley, his trainer, had entered the States on the way over and saw an American flag flying, Mr. Ashley, who comes from over the line, said to his charge: "Tom, there's an American flag; salute it,' and raised his hat for him.

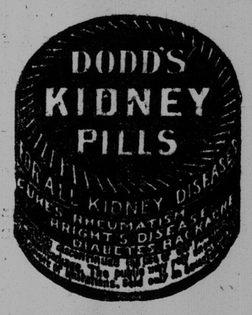
"Tom soon got even. After spending a while on the American side of the Falls on the way back on Tuesday, we crossed the bridge to the Canadian side in an automobile, and entered the park. A Canadian flag was flying, and just as we were passing it, Longboat, who was sitting beside Mr. Ashley, drew his attention to it. 'Ashley, there's a Canadian flag; salute it.' And off went the hat of the physical director."

Free Samples of "Preventics" and a booklet on Colds will be gladly mailed you, on request by Dr. Shoop, Racine, Wis., simply to prove merit. Preventics are little Candy Cold Cure Tablets. No Quinine, No Laxative, nothing harmful whatever. Preventics prevent colds—as the name implies—when taken early or at the "Sneeze Stage." For a seated cold or La Grippe, break it up safely and quickly with Preventics. Sold by all Druggists.

fred G. Cox

Toronto, April 30—(Special)—Fred G. Cox, son of Senator Cox, died at 12.30 last night. He leaves a widow but no family.

Senator Thompson and Miss Thompson returned to Fredericton from Ottawa yesterday.



Tiresome Times

These housecleaning times, aren't they? But still for all that, the family must have bread, and you, mother, have to mix and bake it, unless you have eaten of

SCOTCH ZEST BREAD

If you have, then you realize the saving—no bread to mix or bake, and with Scotch Zest Bread on the table, you have a happy family. Ask one of the hundreds of families who eat it; they'll give you all the proof needed; or better, try it yourself.
