Juvenile Revue at Opera House In Musical Comedy Next Week

A scene from the miniature musical comedy presented by the famous Juvenile Revue, at the Opera House all next week, starting tomorrow afternoon.

If you want to hear Harry Crane sing "You've got to put up with it" again, you will have to go to the Opera House tonight, for this will be the last opportunity. Everybody said "good show this week"—if you have not seen it, don't let the chance go by.
Tomorrow comes the usual weekly change and the new programme is headed by one of the season's big vaudeville sensations, the Famous Juvenile Revue, an organization of twelve clever children, all girls in a miniature musical comedy in one act, with delightful singing, dancing and comedy numbers, all staged with elaborate costumes and special scenery. This act comes direct to St. John from New York and is a real novelty. Other features on the programme include Christie and Mack, class singers, dancers and nonsense purveyors; Marie Allen, singing comedienne; Flunkett and Romsine, singers and wonderful eccentric dancers; Jess and Bud Gray, comedy singing, talking and bicycle novelty; and Billie Burke in the 11th chapter of "Gloria's Romance." Two complete shows tomorrow afternoon at 2 and 8.30, evening at 7.50 and 9. Despite the extraordinary programme, the prices remain at the same very little figure for all.

Two Men In Reserve For Every One In Front Line

Ottawa, Aug. 9.—A statement of the minister of militia, prepared on request of A. K. MacLean, gives the total "effective strength" of the Canadian expeditionary force on June 30 last as 256,993 out of total enlistments to the same date of 424,456. The difference between the effective strength and the total enlistments is made up as follows:

23,760 in hospitals in England.
21,830 returned to Canada for discharge and for other causes.
65,900 who never proceeded overseas and were struck off the strength in Canada for physical unfitness, etc.
31,955 killed in action, died of wounds or sickness, presumed dead, reported missing or prisoners of war.

10,138 for whom no complete returns have yet been obtained.

The casualty list up to July 31 totalled 106,492, including a total of 31,955 dead, missing or prisoners of war, and 73,701 wounded.

Details of the effective strength are given as follows: In Canada, 18,475; in England, 100,539; in France, 132,279; on sea, 2,944, and in the near east, 756.

Analysis of the figures given above in regard to the effective strength of the Canadian forces on June 30 and the wastage from casualties indicates that the government has sought to stampede the country into conscription without frankly stating the real position in regard to the immediate need of reinforcements.

Western Liberals United In Loyalty to Sir Wilfrid

Winnipeg, Aug. 9.—The Liberal convention of British Columbia, Alberta, Saskatchewan and Manitoba, which has been in session here since Monday evening, was brought to a close at six o'clock this afternoon, when a resolution was carried consolidating as the platform of the Liberal party of western Canada the resolutions on policy which had been adopted.

Following hearty approval of the leadership of Sir Wilfrid Laurier in the morning, the work of the afternoon session was important, and resolutions were carried approving of the formation of a national government after the general election; approving of the principle of government ownership of railways, telegraphs and express systems; declaring indefensible the payment of an arbitrated price to Mackenzie and Mann for sixty million dollars of common stock of the C. N. R., and suggesting that newspapers and other publications be required to publish at intervals the names of all those financially interested in them and of their responsible editors.

The resolution on national government stated that the convention expressed the hope and declared the desire of its members "that in the impending election the discussion of issues should be kept on the plane free from all appeals to passion and prejudice in matters of race and creed; and further, that which ever party is returned to power the business of the government should be carried on by a truly national government composed of representatives drawn from the different elements and industries of Canada."

Germans Are "Jumpy and Nervous"

London, Aug. 9.—Continuous rains and fogs have made the past week one of little activity on the western front, says Major-General Frederick B. Maurice, chief director of military operations, at the war office, in his weekly talk to the Associated Press today.

The German communiques in their usual fashion, continued the general. "Reported numerous British attacks repulsed, with heavy loss. That shows the Germans are jumpy and nervous. As a matter of fact, there has been only one British attack, that on St. Julien, which was an entire success. The German communiques made a deal of an alleged British attack from Neuport, which was, in fact, only a minor raid."

Summing up the situation on the Russian front, General Maurice says: "The Russian retirement has been conspicuously less in the last week. Premier Kerensky and General Korniloff, the Russian commander-in-chief, are making strenuous efforts, with considerable success, to re-establish discipline, but it would be premature to say that the Russian leaders have yet succeeded in setting a limit to the German advance. It would be premature even to regard the situation more satisfactory."

CANNING CLUBS AT WORK

Throughout Province Doing Wonderful Work in Conserving the Fruits and Vegetables.

(Frederick Gleason)
The canning clubs which have been established throughout the province by the board of education, under the direction of Fletcher Peacock, are being well attended and doing a very substantial and useful work. There are very few housewives who are not canning or preserving on a much larger scale than usual this summer. This work is going to have a far reaching and permanent influence on the future food supply of this country and will thus tend to conserve the canned goods supply for the use of the soldiers of the allied armies in the trenches and the sailors at sea. Many people this year are drying a great deal of the supplies of their gar-

dens and much work along this line will be done.

In former years our grandparents always dried a certain portion of the fruits and vegetables of their gardens and in the winter when these were hard to get they had their supply of dried produce to fall back upon. This work had almost become extinct, but now with the opening of these schools many of the recipes of our grandmothers' days are being used and found to be better than the new methods. This fall will see more fruit canned and dried than in any other year in history.

HOW TO DRY BERRIES.

Pick over fruits, removing all leaves, stems and unsound berries, and wash in cold water, and pour cold water through it. Remove surface moisture by pouring berries on a paper and then spread in thin layers on drying

FOUR WOMEN TESTIFY

Positive Proof that Lydia E. Pinkham's Vegetable Compound Restored Their Health.

Yonkers, N. Y.—"I suffered from a bad case of female trouble, backache, nervousness and indigestion. Lydia E. Pinkham's Vegetable Compound restored my health after everything else had failed."—Mrs. H. J. L. FEATHER, 61 Hamilton Ave., Yonkers, N. Y.

Danville, Ill.—"I would not be alive today had it not been for Lydia E. Pinkham's Vegetable Compound as it cured me from a severe case of female trouble."—Mrs. O. A. COE, Batetown Road, Danville, Ill.

Ridgway, Pa.—"I wish all women who suffer from female troubles would take Lydia E. Pinkham's Vegetable Compound as I avoided a surgical operation by its use."—Mrs. O. M. RYAN, Ridgway, Pa.

North Haven, Conn.—"Lydia E. Pinkham's Vegetable Compound restored my health after everything else had failed when passing through change of life. There is nothing like it to overcome the trying symptoms."—Mrs. FLORENCE ISLELL, Box 197, North Haven, Conn.

The many convincing testimonials constantly published in the newspapers ought to be proof enough to women who suffer from those distressing peculiarities of their sex that Lydia E. Pinkham's Vegetable Compound is the medicine they need.

Be Careful What You Wash Your Hair With

Don't use prepared shampoos or anything else, that contains too much alkali, for this is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain maligned coconut oil, for it is pure and entirely greaseless. It's very cheap, and beats the most expensive soap or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy, and easy to handle. Besides, it loosens dirt and dandruff.
