The recipe for Fish Kedgeree, mentioned above, is as follows:

**Fish Kedgeree—**  
1 1/2 cups flaked cooked fish  
1 egg  
4 tablespoons rice  
1 teaspoon chopped onion  
Salt and pepper to taste  
2 tablespoons dripping

Put the rice into fast-boiling water, with a teaspoon of salt, and boil fast until tender (about twenty minutes.) Drain well, and dry in a colander. Boil the egg hard, cool it in cold water, and chop it coarsely. Melt the fat in a saucepan, stir in the cooked rice, add the fish and seasonings. Make it very hot, then add the chopped egg, and serve at once.

**TO LECTURE HERE ON CHRISTIAN SCIENCE.**

In the advertising columns announcement is made of a lecture on Christian Science to be delivered in the Imperial Theatre Sunday afternoon, Dec. 16, at 3 p.m. The lecture, which is under the auspices of the local church of the denomination, will be delivered by Wm. W. Porter, C. S. B., of New York City, a member of the board of lecturership of the mother church, the First Church of Christ, Scientist, in Boston, Mass.

Each year an increasing number of persons manifest an interest in these lectures which are given for the purpose of placing the truth concerning the movement before the public in an authentic way. The lecture will be entirely free to the public; no collection will be taken and all seats are free.
