THE WORST IS YET TO COME

(Toronto Trade Paper)

A member of the government who has come into prominence, and come out of the war investigations with an enhanced reputation, is Hon. Dr. Reid, minister of customs. Hitherto, the government representative on these committees was respected to use legal technicalities and steam roller tactics to prevent and suppress evidences of guilt. The impression the public have is that Dr. Reid cooperated with Mr. Carvell in the sordid work the latter did in exposing the frauds. This may be accounted for by the fact that Dr. Reid is not a lawyer. Nominally he is a physician, but in reality his life has been devoted to manufacturing, in which he has had a strenuous but valuable experience. The country will support the Liberals in accumulating facts for further investigations. Already they are in possession of information that will create still greater sensations. The question is, will they dare to bring them out? Some of the men involved are related to or connected with men occupying high and influential positions.

The Conservative leaders believing that party interests render an election advisable before the autumn have decided upon an early appeal and preparations are now being made. On the other hand there are few business men who are not very decidedly opposed to such a course, and many of them have expressed themselves strongly on the subject. This has made the politicians hesitate, but Sir Robert Borden, from a feeling of loyalty to his party, and believing that national interests will not suffer, is understood to be favorable to immediate action.

Have You a Bad Sore? Read How Zam-Buk Heals

No matter where the sore, of how caused, Zam-Buk, the great herbal healer, will be found adequate to the case. Unlike ordinary salves, Zam-Buk is purely herbal—contains no animal fat, no poisonous coloring matter. Read how Mr. B. Ellis, of Carleton, Ontario, cured his sore. He says—"I suffered for years from a running sore on my toe which started from a frost bite. The pain was so severe I was unable to sleep. The sore went right to the bone and the foot was terribly swollen and inflamed. In vain I tried numerous remedies. At last seeing an advertisement for Zam-Buk, I decided to give it a trial. The result has been most satisfactory. Zam-Buk quickly eased the pain and took away the swelling and inflammation. Persistence with Zam-Buk has entirely healed the sore."

For eczema, ulcers, abscesses, scalp sores, and all skin troubles, Zam-Buk is unequalled. It is also just as good for piles, sprains, cuts, scalds, or as a "first aid." As soon as applied the rich healing essence of which Zam-Buk is composed penetrates right to the root of the trouble, and to stimulate the cells that new healthy tissue is quickly formed. Zam-Buk heals from the bottom up—hence its cures are permanent. All drugs and stores.

To obtain free trial box, send this article, name of paper and 1c. stamp to Zam-Buk Co., Toronto.

WAR SCANDALS AND ELECTIONS

(Toronto Saturday Night)

There is every probability that before mid-summer we will have had a general election. Just what this election is going to accomplish other than an excuse for mud-throwing between the two political parties, is hard to say. Possibly the Hon. Robert Rogers, who has had his mind set on this election for some months and whose word appears to be law at Ottawa, considers a general election at this time the last best bet. In other words, it is a case of now or never for Bob and his friends. The Tory party no doubt, figures that the eight or ten thousand names on the patronage list at Ottawa, most of whom have been richly rewarded—public expense—since the first of the war contracts were given out, will have no little influence with the general result. These people are expected to come forward—those, at least who have not skipped the country—and give back to the party some of the look extracted from the treasury. The Tories having had no opportunities at the till will be obliged to content themselves with conducting their campaign on the cheap.

No doubt the Nova Scotia horse traders, the binocular sellers, the fellows who sold jets for soldiers at prices 25 per cent. above the market, the French Mr. d'Amie in Quebec (sister of the Deputy Speaker) who sold drugs to the government in wholesale lots at profits ranging from one hundred per cent. up—mostly up—will all see to it that the Tory machine is properly greased, which, in the face of the scandalous corruption which has taken place, and the present state of the public mind, will unquestionably be very much needed.

But why a general election in the face of the war? Can any political party be fool enough to imagine that these scandals can thus be taken out and buried in unmarked graves? Or has the Tory party got to the point where it is afraid that the scandals which may crop up between now and September, 1916 (at which time the present parliament would have run its natural course), will be such as to make a return to office altogether unlikely?

No one but a hide-bound party man, blinded by self-interest and party feelings, can look for this pending election with anything but regret. Let the Conservative party but clean its stables; see to it that the departments of militia and defence, are put upon a plain business basis and the country would be content.

PEOPLE OFTEN SAY "How Are We To Know When the Kidneys Are Out of Order?"

EASIEST THING IN THE WORLD.

The location of the kidneys, close to the small of the back, renders the detection of kidney trouble a simple matter. The note of warning comes from the back. The kidneys become overtaxed and fail to do their work at nature's call. Backache is the signal sent out by the kidneys the minute they become overtaxed. Those who heed the warning when it first comes, usually have but little trouble.

The danger lies in delay. Doan's Kidney Pills stimulate the action of the kidneys, and enable them to perform their duty perfectly.

Mrs. Greig Murphy, Lower Ship Harbor East, N.S., writes: "I have used Doan's Kidney Pills in my family with great success, and don't think there is a better pill for the kidneys. I was hardly get about. I got a box, and tried them, and found that they were really good, so I took in all about six boxes, and soon found my back cured, and my kidneys as well as ever."

Doan's Kidney Pills are 50c. per box, 3 boxes for \$1.25; for sale at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."
