

# RUTH SAYS IN INTERVIEW HE LOST \$250,000 DURING CAREER

## ADVERSITY HAS POLICY TO PAY \$500 A MONTH

### Max Carey Now In Hos- pital Suffering From Pleurisy

NEW YORK, Oct. 27.—Babe Ruth is quoted in an interview with Joe Wolkoff, published in the current issue of Collier's Weekly, as saying he had lost \$250,000.

"I have been a babe and a fool," he said, "but the home run king is quoted as saying:

He tabulated his losses as follows:

Gambling, \$125,000; business failures, \$100,000, and fees to lawyers and detectives, \$25,000.

He said that he has paid up endowment policies which will provide him with \$500 a month, starting when he is 45 years old.

#### CAREY ILL

PITTSBURGH, Oct. 27.—Captain Max Carey of the world's champion Pittsburgh Pirates is in a hospital here suffering from pleurisy and complications, all of which are traced to his collision with Stanley Harris in the fifth game of the world's series at Washington. Carey's ribs were injured at that time and he has never felt right since.

For the last two or three days he had been confined to his bed at home, but he was quickly rushed to the hospital when a turn for the worse manifested itself. Physicians are being guarded against his doctors.

#### "BABE" IN WOODS

"I knew as soon as Babe Ruth stepped off the train at Fort Fairfield, Me., that he didn't look to be himself," said Charlie Crenn as he told of the King of Swat's first experience in the New Brunswick woods. "However, Babe doesn't seem to realize his physical limitations after illness, he is so full of ambition and he has iron nerves, so when he insisted that he was able to undertake the 18 miles walk the first day from Miller's to the first camp and then 14 more the next day to the home camps I let him start with the rest of the party."

"But after they had gone along a bit, I followed on a saddle horse. Ruth had maintained that he didn't want any horse, but I felt he would need one, and sure enough he did. I had only gone four miles when I caught up to the rear of the party—and Ruth was already about all in. I made him trade places with me."

"Then first night at the woods at the camp on the road it was full of fun for us all. I never realized Joe Bush was quite such an entertainer. The next night everybody got as hungry as the home camps, the eight hunters with their individual guides and the rest of us. Bob Shawkey, Eddie Collins and Joe Bush tumbled in the radio, which is installed at the home camps, on a Philadelphia station, then Babe Ruth got in on one at Boston—which was as near Sudbury, Mass., as he could hit—and finally they hooked up with one of Broadway's jazz orchestras; but they did not seem half as interested in playing as in hunting conditions and their chances for getting moose and deer. The next morning I left the home camps at 8:30 and they had all started off into the woods for their first day's hunting before I got away."

Babe Ruth, according to Charlie Crenn, in addition to wanting to shoot his first moose is especially anxious to capture a young bear. His daughter Dorothy, after she had kissed her daddy goodbye at the North Station, Boston, gave him strict instructions to bring her back a bear to their Sudbury, Mass., farm—so the Bambino's chief ambition is to come in contact with a friendly cub that will submit to capture.

#### St. Peter's Lose to Fairville Players

The Fairville Superior School Rugby squad defeated the St. Peter's football team on the St. Peter's field, West Saint John, Saturday by 5 to 3. The game was very close until Albert Wilson crossed the line early in the first period, placing the ball between the posts and Charles Cheeseman converted. Later Burgoyne, of St. Peter's, crossed the line but failed to convert at a difficult angle. A return game is to be arranged later.

The lineups are as follows:

Fairville Superior. St. Peter's.

#### THREE IN WEEK

CHICAGO, Oct. 27.—Tiger Flowers, the Georgia negro middleweight rates the title of the "Iron Man of Boxing" for last Friday night he handed Sock Malone a pasting at St. Paul and tonight, he is scheduled to go ten rounds with Chuck Wiggins, of Indianapolis, at East Chicago. His manager expects to have him in action in Boston Friday night, making three contests in seven days.

#### NAMED AFTER CHAMPION

MANASSA, Colorado, Oct. 27.—This little town will bestow high honors on its noted former resident, Jack Dempsey, by naming the new high school after him. The school is being built on the lot where the log cabin in which Dempsey was born once stood.

## Acadia's 9-0 Victory Over Dalhousie Yesterday Is Big Surprise

### Along The Sport Trail

By JOHN J. DUNLOP.

A BRAND NEW development in athletics hereabouts is the annual track and field meet for girls of the city and from the success that attended last Saturday's meet, it is only a question of time before section meets with representatives from all parts of the province will be held and the winners sent to compete for the Dominion titles. All those who attended this year's contests are unanimous that it was excellently handled and was marked by a dash and fire quite lacking at the meets for the young men. During the last few years, organization work in this respect for boys and young men has progressed wonderfully and now a start has been made for the girls. In this respect, too much credit cannot be given Miss Dorothy McArthur, physical instructor at the local Y. W. C. A., who has organized these meets and who has aroused much enthusiasm among the girls for this branch of athletics. Track and field work among girls has been practically ignored outside of the colleges and why this is so is hard to realize in view of the great benefits that can be derived from running and jumping in the fresh air as opposed to the atmosphere in the gymnasium. Sports are a fine thing. There is moral as well as physical training in them. Sports has helped civilize the Philistines and they are being deliberately used to modernize China and Japan. They have founded much of the success and glory of England. And why should not the girls have sports as well as the boys. With our boys and girls cared for, we need some form for the elderly ladies as all our old men play golf along with the youngsters.

### CONGRATULATIONS TO Fredericton High School on its winning the 1925 section play-offs with Rotax and Saint John. Fredericton now will be called on to face the winners of the other sections in the province but they should have no trouble emerging victorious.

NAIRN McCaffrey, right wing on the University of New Brunswick half line, is rapidly developing into one of the fastest backs in inter-collegiate rugby and it was his touchdown that started that impressive score against Mount Allison last week. Local men who saw that game say McCaffrey, a Fredericton High School star, is going to beat watching from now on. He is a son of J. J. McCaffrey, prominent Fredericton contractor. Football is not confined to this branch of the family as a cousin, Milton McCaffrey, is a member of the Upsala College, Orange, N. J., eleven, a recent picture of him appearing in the Newark Sunday Call. His father, William J. McCaffrey, is now a prominent United States insurance man, being vice president of the

### WE NOTE that Princeton bowed to Colgate, 9 to 0, last Saturday on some brilliant playing by Captain Eddie Tryon. Maritimers are interested in this college because Dr. George S. Cotten, former president of Acadia, now heads Colgate.

PLANS for a moose hunt in New Brunswick this month for Jack Dempsey, heavyweight king, were all set when something went astray and the great pugilist was compelled to cancel the trip. This is news to local fans as not a whisper of the trip had reached here. Walter Hines, Portland sportsman, made arrangements for the heavyweight to come with a guide at Clarendon, N. B., but this guide was busy elsewhere and turned the job over to Cornelius Rogan of this city. Rogan met the train on which Dempsey was expected but he did not show up. Later, the local man heard from the Clarendon guide that Dempsey had written him calling off the trip but that the letter had been mislaid for ten days.

## Dave Shade's Manager Has Word of Praise For Walker

By HENRY L. FARRELL

United Press Sports Editor

"Mickey" Walker is a great little fighter and don't make any mistake about it. He'll be a better fighter and the best card in the country if he goes about it right. Mickey's horse is a fighter and he is a fighter. The speaker was, strange to say, Leo Flynn, manager of Dave Shade, the California welterweight.

"I'm not getting anything for too long. Walker's horse is a fighter and he is a fighter. The speaker was, strange to say, Leo Flynn, manager of Dave Shade, the California welterweight.

"Walker is a great little fighter. If he wasn't he couldn't even hold his own close. Outside of Shade he hasn't a chance in his class to bother him. They're all talking about Harmon and Zivic, but Harmon could not go for four rounds and Zivic isn't rugged enough right now, although he's got more promise than any youngster I have seen."

"Walker ought to stay in his own class. He can lick any of those fellows and he could make himself the best card in the game today. How did Dempsey and Leonard become such drawing cards? I'll tell you. They went out, when they were in their active days, and knocked off every head that stuck up in their class. Greb is doing the same thing now and he's cashing in plenty and keeping himself in shape by fighting. Walker could do the same thing."

"You wrote the other day," he continued, "that some of the boys were blaming me for telling Shade to play safe in the fifteenth round of his fight with Walker. I didn't tell him anything of the kind. On the contrary, I told him to go out and take the lead away from Walker and keep it. I did tell him that he was out in front, but I added that he would have to take the last round to make it good and strong."

"Shade went out after Walker as I told him to do and he was knocked down with a right hand punch that landed just over his temple. It was wild swing and he thought he could beat Walker to it, but he didn't. He told me after the fight that he was clear out for two minutes and that if he didn't have good strong arms to hold Walker and strong legs to keep him out that he would have gone down. He recovered in the last minute and put up a real fight to the bell."

"Walker tried to outsmart him by leading him to his corner after the final bell but Shade turned and led Walker clear over to his corner and gave Jack Kearns a couple of razberries."

Many good judges thought that the incessant pounding over the kidneys through fourteen rounds of the fight had so weakened Shade that he collapsed in the fifteenth round. "There's not a thing to that," Flynn said. "I thought he was taking too many around the body early in the fight and I told him to block them."

"He told me that Walker was hitting him with an open glove in the middle of the back where it wasn't hurting him and he wanted him to

## U. N. B. HERE TODAY EN ROUTE TO WOLFVILLE

### Keen Interest Here In Result of Thursday's Contest

HALIFAX, N. S., Oct. 27.—Acadia's 9-0 rugby victory over Dalhousie, on the latter's campus here yesterday, came as a genuine surprise to Halifax fans, according to comment on the game that appeared in the sporting columns of the morning papers.

The Chronicle says: "The Acadia fifteen were full of vim, tackled hard and made the most of their opportunities, whilst Dalhousie played listlessly and made countless blunders. Although Dalhousie had the better of the territory all through, they were not able to cross their opponents' line. The field was very slippery and a strong wind blew during the game."

The Herald says: "The result was a great surprise to Halifax fans, and completely upset the dope. Many are of the opinion that over-confidence had a lot to do with Dalhousie's defeat yesterday. Then again Saturday's strenuous tussle didn't leave the boys in the best possible condition. However there is no doubt that Acadia deserved their victory. They played good steady ball throughout, and towards the end of the contest when Dalhousie's reserves were called upon they did not every ounce of their energy into the struggle, in an attempt to break into the score column, they bore the brunt of their attack like tried and true veterans, their tackling especially being of a high-class order."

#### U. N. B. HERE

University of New Brunswick rugby football team is due to pass through Saint John today, en route to Wolfville for its game there tomorrow with Acadia, whose defeat of Dal yesterday has robbed the Fredericton boys of any over-confidence of the result.

FREDERICTON, Oct. 26.—The University of New Brunswick rugby football squad will leave for Wolfville, N. S., Tuesday morning. Coach C. B. Burden will be with the team, and a number of supporters also will go. The Red and Black had a brisk workout this afternoon in preparation.

The team will play in the second match of the inter-collegiate section, and the Trojans will be played at Saint John Saturday in an exhibition game. The Red and Black are dangerous opponents and with no intention to let the Mount Acadia game cause over-confidence. Acadia's showing against Dalhousie yesterday at Halifax is regarded as significant.

University of New Brunswick has adopted the system in vogue for years in the Old Country of numbering their players. The numbers will run in the following order:

Fullback, Hickson; three quarters, Sedgwick, Babbitt, Fraser (captain), McCaffrey; halves, Currie, Keene; forwards, MacPhail, Donohoe, Odell, Dalzell, MacAylah, McEnash, Woods; reserves, Fowling, Smith, McMurray.

In the long series of matches between the two colleges, U. N. B. never has been able to win at Wolfville although at times playing to tied scores or draws.

#### English Soccer

LONDON, Oct. 26.—Sheffield United defeated Manchester City by eight goals to three in the English football league, first division soccer game today. In a second division game South Shields won from Portsmouth by five goals to one.

Woolwich Arsenal defeated Millwall by three goals to one in the semi-finals of the London Challenge Cup at Tottenham, whilst in another semi-final, two all, at Stamford Bridge.

The Amateur Football Association eleven defeated Cambridge United eleven in a friendly match by three goals to two.

Two records were made, the M. R. A. first string total of 521, and the high team total of 1468.

The next game will be tonight when

MAY WIN £50,000

LONDON, Oct. 27.—The Daily Express today says that A. K. Macomber, whose Forest will win the Caesarswicht stakes a fortnight ago, stands to win £50,000 if his Masked Marvel finishes first in the Cambridgehire handicap at Newmarket tomorrow. Mr. Macomber placed a bet of £11 with a firm of commission agents at odds of 500 to 1 against, that Forest and Masked Marvel would win the Caesarswicht and Cambridgehire respectively.

#### "BILL" IN NEW N. S.

Sport followers in New Brunswick will be interested to learn that William A. Hay, moving spirit in the Sussex hockey team for many years, has been transferred from the management of the branch of the Royal Bank of Canada at Sussex to that of the branch at Bridgetown, N. S., and it is expected he will take over his duties shortly. Mr. Hay is an enthusiastic devotee of hockey and he will be greatly missed from this province. He will be succeeded at Sussex by J. W. Ryan, of Saint John.

### Local Pointer Sold For Very High Price

A LOCAL-BRED POINTER, Champion Jiggs' Flash, owned by George McA. Bizard, has been sold to a Mr. Davis, of St. Louis, Missouri, U. S. A., for a price ranging into several hundreds of dollars. The dog won its championship at shows at Montreal, Sherbrooke, Halifax, and Saint John, sweeping everything before him. Not only is he a good bench dog, but he is rated as one of the finest woodcock dogs ever bred in these parts. At present the dog is at Ennisville, N. B., with a party of American sportsmen.

### He's Cub's New Boss

JOE MCCARTHY.

He'll lead the Chicago Cubs in 1926, having recently been given the assignment. He's a baseball man of long experience and is looked upon as just the fellow capable of piloting the tottering Cub machine out of the rubbish heap.

For the past few seasons, McCarthy has been boss of the Louisville Colonels and has enjoyed pronounced success. His team grabbed the 1925 gonfalon in one of the most one-sided races in the history of the American Association. His clubs have always been well up in the chase.
