

## NEW RECORDS IN MARITIME TRACK CHAMPIONSHIPS

(Canadian Press Cable.)  
Halifax, N.S., Sept. 10.—Maritime records in the pole vault and hammer throw were made at yesterday's maritime provinces track and field meet held on the Wanderers' Amateur Athletic Club's grounds here. W. Halpeny, Abegweit, Charlottetown, shattered the former vault mark of eleven feet one inch, when he cleared the bar at eleven feet four and one-half inches, and Stephen Kennedy, Halifax Wanderers, threw the hammer 136 feet 5 inches, breaking the old mark of 133 feet 4 in. Halpeny's one try after the other competitors had dropped out at ten feet six inches, and was not tried at a higher mark. A. N. Montreil, Rethesay, was second. In the hammer throw Kennedy made a throw of 145 feet which was disallowed because his hand went outside the throwing ring. J. W. Mooney, Halifax, won the half mile race in two minutes flat, about one second less than the record, and B. Francis, Charlottetown, in four minutes and thirty-four seconds, was the same time behind the record in the mile run, St. John's runner.

H. Lapierre, St. John, was second in the mile run after leading practically the entire distance. Francis, won by a sensational sprint when he came from third place in the last 30 yards and passed Lapierre, who had about 150 yards lead.  
Victor McAulay, Windsor, lapping his competitors, ran the five mile race easily and won in 26 min. 18.3 sec.  
A. I. Miller, Sussex, Canadian high jump champion, cleared the bar at 5 feet 4.3 inches. He scratched in the broad jump and hop, step and jump because of a bad foot.  
G. Francis, Charlottetown, won the half mile and mile bicycle events in fast time.  
Ted Coster, St. John, wearing Dalhousie University colors, was first in the 120 yards hurdles in 19.3 seconds.  
W. J. Maynes, St. John, under St. Francis Xavier College colors, won the 440 yards race from Coster in 54 sec.  
C. R. Oulton, Moncton, ran second in the 100 yards dash and 220 yards dash to Ern Smith, Halifax.  
H. C. Seely, Fredericton, won the hop, step and jump event.  
A. N. Kee, St. John, was second in the mile walk to C. N. Lowlor, Dartmouth.  
The Abegweits, Charlottetown, led in club points with 36. Crescents, Halifax, had 34 points and Wanderers, Halifax, 14 points. Fredericton was fourth with 8 points; Commercial Club, St. John, sixth with 7 points; Moncton A. A., seventh with 6 points; Sussex Athletic Association was ninth with 5 points; Rethesay (N.B.) was twelfth with 3 points.

## BASEBALL PARTY IN FAIR VALE

The Fair Vale Baseball Club held a most successful garden party, sports field day and pie social on Saturday afternoon and evening in the Fair Vale Outing Club house and grounds and wound up the enjoyment with a dance in the evening. The entertainment was held to raise funds for the baseball team equipment and it is expected that about \$200 will have been realized, a very gratifying amount. There was a big crowd for the sports and garden party and in the evening an interesting incident was the acceptance of the challenge cup which Royden Carrille had donated for competition between the Fair Vale and Rethesay senior baseball teams. The Fair Vale team had won seven out of twelve games and tied one and its manager, George Dobbin, accepted the cup, of which the Fair Vale club is now the permanent owner.

Many who were an interesting place were conducted at the garden party and refreshments were served under the sponsorship of Mrs. Leonard Wetmore. John Moore presented the prizes for the sports and the winners received some valuable awards. In the evening Mr. Moore auctioned the pies and James Christie had charge of the dance arrangements. Speeches were made by George Dobbin and Capt. John Higgins and both were heartily applauded.  
The successful contestants in the sports were as follows:  
Senior 100 yards dash—1st, A. Flewelling; 2nd, H. Colman.

These two teams will meet next Saturday afternoon on the North End Improvement League grounds.

Golding and Polley will play off for the junior championship of the course tomorrow and undoubtedly many will witness the duel between the two youngsters.

\$761.25—spread over a period of 35 years  
But the profits, distributed annually, so reduced his premiums that he paid only  
\$515.24—in actual cash  
So that Dave's net results at the age of 53 were:  
35 years' protection and \$197.67 for each \$100. he paid the Company.

## THREE RECORDS ARE LOWERED

Wreckable Park, Sept. 10.—Championship records in three events were lowered yesterday in the National A. A. U. senior track and field meet.  
Joe Ray of the Illinois A. C. won the mile event for the fifth consecutive time defeating J. J. Connelly of the Boston A. A. in a stirring finish. The new records are in the three mile walk, the running high jump and the javelin throw.  
William Plant of the Morningside Athletic Club, New York, clipped one-tenth of a second off the old walking mark of twenty-one minutes, 50.1-5 seconds set by G. H. Goulding, of Toronto, in 1917. D. V. Alberts of the Chicago A. A. and Harold Corvone of the Illinois A. C. broke the old running high mark of six feet 4-1/4 inches made by J. Murphy of Notre Dame in 1920. They cleared the bar at six feet 5-1/2 inches. Flint Hanner of the Los Angeles A. C. threw the javelin 183 feet, 2-1/4 inches. The former record was 192 feet 10-3/4 inches made by M. S. Angier of the Illinois A. C. in 1920. Angier did not compete.

## TENNIS.

At Drury Cove.  
The two contesting teams in the Renforth and Drury Cove tennis tournament, which was held on the Drury Cove courts on Saturday were only able to play nine of the eleven matches scheduled on account of darkness falling. When play was called the score stood 5 to 4 in favor of Drury Cove. This is the second tournament of the season, the first being won by Renforth, 8 to 4. It is probable that the deciding tournament will not be played off this season but the other two matches of Saturday's tournament will probably be played off in the near future.  
The following are the results of the matches:  
Mixed Doubles.  
First—Miss G. Knight and J. H. Drummie, Drury Cove, defeated Mrs. P. B. Croft and H. S. Morton, 6-1, 6-4.  
Second—Miss G. Knight and A. G. Burnham, Renforth, defeated Miss H. D. Hargrave and A. C. Clark, 11-9, 6-8, 6-4.

## AQUATIC

Americans Win.  
Oyster Bay, N. Y., Sept. 10.—America got off to a flying start yesterday in the international six metre yacht series for the British American cup, scoring a clean sweep in the first of six team races over a twelve miles course off here. The American sailors captured the first four places by a decisive margin, scoring twenty-six points to ten for their four British rivals, who are defending the championship trophy.  
Light winds yesterday favored the American craft, in the opinion of yachtsmen.  
A car belonging to George Donovan, Lexington, Me., and carrying besides himself, Jack Donovan and Maurice Williams, Fredericton, got out of control of the driver and crashed into a tree on the road near Fredericton yesterday morning about one o'clock. All three were injured and the car was badly damaged.

Harvesting is practically completed in most districts and crops are well above average, roots are doing well and grass pasture generally is in exceptionally good condition.  
Ontario.  
Threshing and harvesting in full swing and in 50 per cent. of the districts the crops are in the barns, yield of grains heavy and of good quality, continued favorable weather has helped corn and the crop will be a heavy one, root crops promise to be above average, particularly potatoes, fruit is a heavy crop, particularly peaches, but only fair yield of winter apples expected. There is plenty of feed for coming winter, second crop alfalfa needed for grass pasture and to fit soil for fall plowing.  
Maritime Provinces.  
Better weather has improved general conditions which are now good; hay, alfalfa, potatoes and pasture both in excellent condition; potatoes alone remain below average and are now suffering from excessive rain, especially along the coast. Satisfactory apple situation unchanged. Gravenstein and Astrakhan now being picked and shipped.

## British Columbia.

Heavy showers throughout province have hampered harvesting, but threshing is well under way. Grains 70 per cent. of average; roots, 75 per cent. and improving; potatoes, 70 per cent.; hops, 100 per cent. Okanagan, early apples over.
