### Buy Radio

There is a difference and there is a reason. THE DIFFERENCE—When compared with other coals, RADIO shows a big percentage less ash; a big percentage less stone and a lot less bother in as much as it burns cleanly. THE REASON—The quality of Radio, the efficiency with which an order is handled and the prompt and courteous way in which it is delivered.

### She Did Not Believe The DELTOR Could Save Her 50c to \$10

SHE had made her own clothes for ten years. She had cut, fitted and finished them herself. She believed that she could lay out any pattern as economically as any expert would. How, then, could the Deltor save her any money?

In answer, she was asked to choose any Butterick pattern—take a piece of material of the length the Deltor specified, and to lay it out in her own way.

### Then She Tried to Lay Out Her Pattern Without the DELTOR

SHE used all her skill in dressmaking—all her ingenuity in "piecing". Yet, after an hour, the pattern still refused to go into her length of material.

Then she was given the Deltor guide—laid out by experts for every size, in every width of suitable material. In a few minutes, every piece was in place—every one the right way of the weave—and not only going easily into the length of material, but taking much less than she admitted was the smallest amount she would have used! And this is only one of

The cost of the plant was \$750,000, of which Manitoba and Saskatchewan paid \$150,000 each and the federal government the balance. If this plant proves successful it is expected that additional plants will be established throughout the coal fields of the west.

### Had Kidney Trouble For Thirty Years

WHY W. J. HAMPTON RECOMMENDS DODD'S KIDNEY PILLS.

Manitoba Man Says the Pain is Nearly All Gone and That Dodd's Kidney Pills Worked Wonders For Him.

Newdale, Man., May 18.—(Special).—That even the most chronic case of kidney disease and rheumatism can be cured by the use of Dodd's Kidney Pills is the belief of Mr. W. J. Hampton, a well-known resident here.

"Dodd's Kidney Pills certainly worked wonders for me," Mr. Hampton states. "My kidneys were so bad at times that I could not work and I was also a sufferer from rheumatism. Mine was a chronic case of thirty years' standing. Now the pain is nearly all gone and I recommend Dodd's Kidney Pills to all sufferers from kidney trouble."

Rheumatism is one of the effects of kidney trouble. The weakened kidneys fail to strain the uric acid out of the blood and rheumatism follows. Ask your neighbors if Dodd's Kidney Pills are not the best remedy for weak or diseased kidneys.

SAY SOLDIER SETTLEMENT SHOULD BE HANDLED BY THE PROVINCES

Winnipeg, Man., May 19.—"Administration of the Soldier Settlement Board in Canada should be in the hands of individual provinces rather than under federal control, for provincial government officials in charge of the department of agriculture have a much wider knowledge of provincial conditions than can possibly prevail in Ottawa," said Col. Hamenley, for many years a member of the British House of Commons, representing the Woodstock division of Oxfordshire, during an interview while visiting this city.

Col. Hamenley is interested in bringing out Imperial ex-service men to Canada to settle on the land, and is desirous of having them colonize in communities where they would be able to keep in touch with their friends. He is also deeply interested in bringing settlers to Canada from the old land to provide them with work.

"England is overcrowded," the colonel said, "and the only thing that remains to be done is to transplant them to the overseas dominions. This soldier settlement scheme is a splendid attraction for our people who can farm, but I feel sure that the administration could be better handled by provinces."
