The Mop, Ready to Use.
The Swab Removed, Ready to Clean.

The Mop with a Swab that comes off with a Pull

The last word—the highest perfection—in a household device for cleaning and polishing furniture and woodwork find expression in the

LIQUID VENEER MOP

which has more and better cleaning surface than any thing you've ever used in this line. When dirty, THE SWAB CAN BE REMOVED WITH A PULL, then WASHED, AND PASSED THROUGH THE WRINGER LIKE A TOWEL, and as easily replaced. A worn-out swab can be replaced with a new one, therefore the liquid veneer mop is CHEAPEST in the end. Price, complete with long, adjustable handle, \$1.75

LOCAL NEWS

MORE CHINESE

Two more trains of Chinese Coolies passed through the city this morning from Halifax on their way to Vancouver.

CASE RESUMED

The case against Dr. F. X. Morris was resumed in the police court this afternoon. D. M. Ryan appeared for the prosecution while Scott E. Morrell acted for the defence.

ON INSPECTION TRIP

A. D. MacTier, vice-president of the C. P. R., left the city on the early local train this morning for a trip of inspection along the line. He was accompanied by H. C. Gault, general superintendent for the New Brunswick district.

RAILS BURIED DEEP

A search party of workmen from the street railway company started this morning on a discovery expedition to locate the car rails in Main street, Fairville. One of the large sweepers was used as an auxiliary to help the men in some places the rails were buried under a foot or more of ice and snow, for the most part packed very hard. It is hoped to have the line cleared by night, so the Fairville car may be put in operation.

MRS. HUGH McNULTY

Mrs. Thomas Mitchell of 7 Mill street, yesterday received the sad news of the death of her cousin, Mrs. Hugh McNulty of Boston, which occurred after a week's illness with pneumonia. Mrs. McNulty was a daughter of the late James and Mary Gallagher of this city, and had been residing in Boston for the last thirty years. She is survived by her husband, four sons, Joseph, Eugene, William and Alphonse, and one daughter, Mary, all of Boston. One sister, Mrs. McCarthy, and two brothers, James and Hugh Gallagher, also reside in Boston. Many friends in St. John will regret to hear of Mrs. McNulty's death.

SAYS WOMAN STOLE BILLS

Ada Diamond Accused of Bond's Alley Theft—Morning Court Session.

In the police court this morning, Ada Diamond was charged with theft of money. A man told of meeting this woman last night about 10:15 in Mill street, where she asked him to go into Bond's alley. He said she snatched from his left pocket several bills which amounted to \$87. She tried to run away, he said, but he held her until the police came. This incident brought the remark from the magistrate: "This woman should have been arrested at 7 o'clock." He continued by citing several instances where he had seen young girls in the streets trying to "nick" fellows up. He said all persons in the streets at night after 7 o'clock should be arrested if they could not give a satisfactory account of themselves.

Policeman George Totten said while coming from Paradise row, he heard screaming in Bond's alley. He rushed down to the alley and he found the complainant and accused standing in the alley. The complainant said she took his money from him, but she denied it. She was taken to North End police station and while there, he said, dropped the money on the floor, where the witness said he found it.

The case was postponed and the accused remanded to jail.

The case against a juvenile, charged with stealing \$1 from Mrs. Vaughan Carnarthen street, was resumed. John Golding, Jr., who is connected with the Imperial Theatre, said he found the pocket book in a reservoir in one of the toilets. He said a lad came to him and said that another boy, whom the detectives wanted on charge of stealing money, had put the pocket book there. The lad pleaded guilty to taking \$1 but said he did not take any more. The case was postponed until Tuesday morning at 10:30.

A case against Harry McHugh, Louis Daley and John Shannon, charged with wilfully destroying personal property of Edward Mackin at 66 Richmond street, was resumed. The complainant said that on last Sunday afternoon he went out for a drive, returning about 7 o'clock. He said he opened the door and in the kitchen the corner was a pool of blood and the baby's high chair was broken. He said Collins, the complainant and his wife that there was a row in the house while they were away. He said he saw Shannon coming from the direction of the house when they were coming home.

Harold Collins said that on Sunday afternoon he saw the three defendants go into Mackin's house and soon after saw McHugh go out. Later he saw him go in and in a few minutes the two defendants and a young fellow named Morris McHugh ran out, followed by some one, who fell out of the door. The witness said on investigation he found that the one who fell out was Daley, who had his face cut and bleeding. He said he took Daley home and cared for him.

The case was postponed until this afternoon at 2 o'clock. E. J. Hennebery appeared for the prosecution.

One man charged with drunkenness pleaded guilty and was fined \$8 or two months in jail.

Another Chaplain Returns

Among the Metagama's passengers was Rev. H. Hamilton Brown, a chaplain returning from service overseas. Rev. Mr. Brown, an Anglican clergyman, was formerly stationed in the parish of Upham. He went to England in December, 1917, after some correspondence with the Chaplain General, and was subsequently assigned to duty on the Italian front. He was first at G. H. Q., at Padua, getting there the day after the place was bombed. Headquarters were moved on account of a time with a signalling school which occupied a beautiful Italian chateau. He was chiefly at G. H. Q. and was on duty at Rugby Camp with the Second battalion of the Suffolk regiment. Rev. Mr. Brown is to return to the ministry in New Brunswick.

TRAVELERS ARE ROBBED

One Loses 107 Pounds and the Other \$300 Here or En Route.

Two large sums of money were reported by two people in the Union Depot this morning within a short time, and up to noon neither sum had been recovered. Captain W. Turney, an English sea captain, arriving on the early train from Halifax, lost 107, besides his certificate as a master mariner, while a Russian from the west reported that he had lost \$300. The circumstances in each case are somewhat different.

Captain Turney has no idea as to where or how he lost his money, which was in two £20 notes, and the rest in smaller currency. The Russian said that when he stepped from No. 40 train, the early Montreal arriving about 7:45 this morning, two or three men got round him in the crowd, and he thinks one of them picked his pocket. He missed his wallet containing \$300 and his ticket for passage in the Sicilian. Capt. Turney was also booked for passage in the Sicilian. He had come from Halifax to the schooner Venosta and expects to return with another vessel very soon.

Both cases were reported to the police at the depot.

NOVA SCOTIA'S WATER POWERS

Chief Engineer of N. S. Commission, in City Today, Tells What is Planned This Year.

K. W. Smith of Halifax, district engineer for the department of the interior, in connection with water powers branch, arrived in the city this morning and will address the Commercial Club on the subject of water powers in New Brunswick.

Mr. Smith is chief engineer of the Nova Scotia Power Commission, and to a Times reporter he told of the work that is being carried out and planned in the sister province.

He said that the commission was about ready to let contracts for the installation of a power plant at St. Margaret's Bay, which will supply Halifax with electric power. The plant will consist primarily of two power houses developing about 8,000 horsepower, but the plan is to increase this eventually to 12,000. Each of the two power houses will contain two units. The estimated cost of the plant now on plan will be in the vicinity of \$800,000, exclusive of land costs.

The commission has also on hand plans for development at Bear River, along the south shore and in other parts of the province. At Bear River, he said, development up to about 7,000 horsepower was possible.

POLICE SPORTS NETTED \$1,000

In connection with the ice sports held in Victoria rink recently under the auspices of the Police Protective Association, a substantial sum amounting to about \$1,000 was realized for the association, for which the members are grateful to the patrons, the donors of the prizes and the officials at the sports. CEDAR HILL MEETING

The directors of Cedar Hill Cemetery Co., Ltd., met at the home of F. A. Marven, 122 Douglas avenue, last evening to elect their officers for the year and transact other necessary business.

E. O. Jones, of West St. John, was unanimously re-elected president and managing director; F. A. Marven vice-president; W. H. Allingham secretary; and W. George Gray treasurer.

There was only one absentee at last evening's meeting. Matters respecting the business of the cemetery were discussed in the friendliest manner.

The board of directors serving for 1920 are the same as the previous year, the entire board having been reappointed en bloc at a public meeting of lot holders in January.
