Never before have we had such worthy summer sale offerings and never before have prices been so lowered by wise buying. Manufacturers have contributed lines of most up-to-date goods at big concessions to clear stocks on hand. This sale is a genuine bargain disposal of the above as well as a time of many radical reductions throughout each department. See windows and special advertisement on page 5.—Daniel, Head King St.

PRaise FOR NEW BRUNSWICK ROADS

Houlton Times—The roads in New Brunswick are better than ever before. The road from Houlton to Woodstock has been much improved and many of the bad hills have been rebuilt. Although there are some places that are a little rough, the whole of the 12 miles of road is a revelation on road improvement. The roads on both sides of the river north and south from Woodstock are in much better shape than last year and any of these trips can be made with pleasure, either for a short run or a longer one. From the number of Canadian cars seen in Houlton the people from New Brunswick appreciate good roads.

Read the ad for prices and come and see the great values offered. Sale closes Friday night at 10 o'clock.
