## Attention, Ex- Service Men!

A communication has been re-  
ceived by Mr. J. Ploughman  
from Mr. H. W. Quinton, Do-  
minion Secretary of the Great  
War Veteran's Association  
which, in the interest of ex-ser-  
vice men, we are publishing.  
Through the assistance of the  
Women's Patriotic Trust Fund,  
the children of ex-Service men,  
who through force of circum-  
stances cannot provide their  
children with an education, are  
being helped receive an educa-  
tion.  
Numbers of ex-Service men  
have availed themselves of the  
assistance offered and there re-  
mains sufficient funds for more  
to be educated.  
The W. P. A. Trust Fund also  
have funds at their disposal  
whereby children possessing any  
unusual gift will be given spe-  
cial training. This will assist  
them on to be capable of getting  
an occupation or profession.

This is certainly a worthy ob-  
jective for the Women's Patriot-  
ic Association, who showed their  
loyalty in time of war and  
are continuing it in a very  
practical way in time of peace.  
Any member of the Great  
War Veteran's Association de-  
siring the above mentioned help  
can receive fuller particulars by  
communicating with Mr. H. W.  
Quinton, Dominion Secty. G. W.

the gratitude of the party for  
the kindness and hospitality  
which has been shown them by  
Newfoundland during their stay  
here. They had visited Austral-  
ia, South Africa and Canada but  
the warmth of the reception giv-
