GENERAL SPORTS.

What is Going on in Baseball and Other Athletic Games.

News, Local and Telegraphic, Gathered From Reliable Sources.

An one-mile open bicycle race at Hamilton, yesterday, T. Higley, of Birmingham, took second.

At London yesterday a western ball club called the Edgars were advertised to play two games with the Forest City's ex-league team. They failed to turn up and several hundred people had to have their money refunded. The London papers say it was one of the worst throw-downs their club ever received.

PLANET IV. C. M. C.

For seven innings the teams played stubborn baseball. Then came a fiasco finale that was both a disappointment and a source of vexation to the management of both clubs and a goodly number of the spectators present. The Planet team was at bat in the last of the seventh innings. Batters came to bat with Reid on second and two men out. He knocked one of Arnold's shots to short-field and beat the throw to first, while Reid made good use of the time to sprint home. Pitcher Arnold challenged umpire Bowers' decision at first and followed his challenge with some remarks. The umpire took the Fitzsimmons method of re-argument and a lively melee ensued, the termination of which was that Arnold, who had been ordered out of the game, the C. M. C. then refused to continue the contest and left the field. The Planet team were anxious to finish the game, but the C. M. C.'s refusing to play, the umpire awarded it to them 9 to 0.

RATHER ONE-SIDED.

A fairly large crowd of local baseball enthusiasts visited the Athletic grounds yesterday afternoon, and witnessed the local independent team defeat the nine representing Thamesville by a score of 11 to 3. The game was one-sided to the extent that the Planet team's pitcher, Miller, pitched striking out 11 batters and allowing but five scattered hits. THE NURSE KNOWS

From Long Experience

the Value of any

Remedy.

The Testimony of Miltburn's

Heart and Nerve Pills. Given by

Mrs. M. Menzies, Profession-

al Nurse, is Well Worth

Considering Carefully.

Those who are engaged in the noble and arduous work of nursing the sick, know from long training and experience the true value of any remedy in any certain disease.

When to that is added personal use of a remedy we have the very highest endorsement possible that the remedy will do all that is claimed for it. The testimony of Mrs. H. L. Menzies, professional nurse, corner of Wellington and King streets, Bradford, Ont., is, therefore, of the greatest value, as from her own experience with them she can speak with confidence as to their merits. This is her statement:

"For the past three years I have suffered from physical and nervous weakness, shortness of breath, and palpitation of the heart. The least excitement would make my heart flutter and at night I even found it difficult to sleep.

"After I started using Miltburn's Heart and Nerve Pills, I experienced great relief, and on continuing to use them the improvement in my health has been marked, until now all the old symptoms are gone and I am completely cured.

"Miltburn's Heart and Nerve Pills are the most effective remedy known for the cure of all diseases arising from weak heart, disordered nerves or watery blood. Price 50c a box of three for \$1.25, at all druggists. T. Miltburn & Co., Toronto, Ont."
