## To the Electors of the City of St. John:

Ladies and Gentlemen:

Having been tendered the unsolicited support of a large number of ratepayers, I have decided to accept nomination for the Mayoralty and trust I will receive your endorsement.

If elected, I will endeavor to give you safe, progressive and business-like administration. During the time I have held the position of Alderman and discharged the duties of chairman of the treasury department, I have given very full attention to the city affairs; and whilst I have no doubt that the progress and development of the city (increasingly manifested during several years) will be continued, I realize fully that the taxation of the citizens must not be materially increased, but that as far as possible the rate of assessment must be reduced.

Soliciting your vote and support on Tuesday the 21st inst. Yours respectfully,

THOS. H. BULLOCK.

## To the Electors of Kings Ward:

Ladies and Gentlemen:

Yielding to the request of many of the electors to offer for the office of Kings Ward, I will be a candidate for that office on Tuesday next, April 21st.

If elected, I shall endeavor to give close and careful attention to the city's business.

Faithfully yours,

TIMOTHY O'BRIEN.

## Alderman-at-Large

Ladies and Gentlemen: At the solicitation of a large number of the ratepayers of the city, I have consented to be a candidate for Alderman-at-Large in the coming civic election. If elected, I will do my utmost to have the business of the city conducted as economically as the needs of the city will permit.

Yours respectfully,

W. E. SCULLY.

## Alderman-at-Large

Ladies and Gentlemen: At the solicitation of a large number of the electors of the city I have decided to offer myself as a candidate for the position of Alderman-at-Large. If elected I will endeavor to do all in my power to promote the best interests of the city.

Yours respectfully,

JOHN SIME.

## POLITICIANS IN ENGLAND

### ARE WELL SATISFIED

Colonies are to be Consulted in Making Treaties.

LONDON, April 20.—The arbitration treaty between America and Great Britain, the text of which has been cabled over here from America, had been received. Politicians, particularly those interested in colonial affairs, welcome the clause under which Great Britain reserves the right before concluding an agreement on any matter affecting a self-governing dominion, to obtain the concurrence therein of the dominion. This clause, it is pointed out by colonial officials, is a tardy acknowledgment of the importance of the colonies, and a wise departure from the old method of negotiating with respect to colonial affairs without consulting the interests of the colonies. There is also favorable comment on the reservation that an agreement made under this treaty shall not be binding until they have been confirmed by the two Governments concerned by an exchange of notes. This clause is considered necessary in view of the obligation to submit American agreements to the Senate for ratification.

## AUSTRALIAN DEFENCE.

Australia's apprehension in the matter of possible aggression on the part of Japan was voiced at the meeting held in London yesterday by the Australian Chamber of Commerce, addressed by Thomas Price, Premier of South Australia. Mr. Price was emphasizing the necessity of Great Britain giving a more tangible proof of her interests in the colonies. "You cannot keep a colony by merely flying a flag, even the Union Jack," he said. "There must be sympathy and understanding behind the flag. With the awakening of the East, if you are going to retain Australia as a jewel of the British Crown, someone has got to stand up and fight to keep it."

Mr. Price expressed his approval in strong terms of the proposal to raise a numerous federal citizen army in Australia.
