and not covered by insurance. We will now recount faithfully the doings of the day.

The First Session. The Tilleyites went to bat first. E. Ramsey led his chest in a smashing single, Copeland laid down a pretty sacrifice. Lynch fled out to T. Howe and Riley elevated one to Chase.

The St. John County Rifle Association held their annual match at the range on Saturday last. Ranges, 200, 500 and 600 yards, 7 shots. The weather was fairly good, although the fog hung in the background and the wind at times quite tricky, especially at 600 yards.

For the Corporation Silver Cup there were three ties with the good score of 93, viz: Major Frost, Capt. E. A. Smith and Sergt. J. Downey, which was shot off at the end of the match at 600 yards, by Major Frost and Sergt. Downey, Capt. Smith having left the range. The following are prize winners and scores: 200 500 600 Yd.

Revised statistics of the day show that the disaster again narrowed the leaders advantage down to a lead of two games, which means that there are still roomy apartments on the top floor for McBrine's party if the slump of Tilley's artisans is not going to be provided with terminal facilities. After the Hon. Gero's savage scalping act of Friday night, already referred to by great length, the fans and fair fannesses naturally expected to see this gent again cut into McBrine's men like a plate of hot dogs regardless of expense. As it was the Hon. Gero heaved mystery throws to Humphrey, until the fatal seventh when a complimentary to the graceful Mr. Finnamore, a big blow by Mr. Howe, and a wild throw by the Hon. Gero himself, allowed the enemy to punch the run column two separate and distinct times.

Lynch went out Long to Donnelly, and Riley grounded to pitcher. Cribbs was hit by an inshoot. How attempted to catch him off first and threw the ball into the crowd in right field, Cribbs going to second. He went to third on a passed ball, but died when Cregan fouled out to Mills. For the Clippers Long and G. Finnamore grounded out to E. Ramsey. Chase hit safely. A. Ramsey failed to handle a hot grounder from T. Howe, but Chase was caught in an attempt to get third on the play by Cribbs, who ran in from right to cover second.

Brooklyn, N. Y., July 30.--Brooklyn and Philadelphia battled for 14 innings today, the visitors winning by 2 to 1. Not a run was scored until the final. Grant started the fatal inning with a bunt and scored on Magee's double, the latter taking third on the throw to the plate. Wash walked and Bransfield's sacrifice fly brought Magee home. Brooklyn came back with one run on Humil's double and McElvain's single. Both Scanlon and Ewing pitched brilliantly throughout and received brilliant support, three fast double plays cutting off possible runs. Philadelphia 000000000002-2 8 1 Brooklyn 000000000001-1 10 2 Batteries--Ewing and Knott; Scanlon and Smith. Time--2:30. Umpire--Emslie.

New York, N. Y., July 30.--Boston lost both games to New York in a double header here today. The scores today, the visitors winning by 4 to 1. The Doves dangerous. Sensational plays of which there were five, were made by the two teams. Score: Boston 00010000-1 3 4 New York 0000010x-4 6 3 Batteries--Frocks and Graham; Drucke and Myers. Time--2:05. Umpire--Eason.

Had it not been for these two pathetic incidents the bright halo of an 0 to 0 battle might have shed its rays over the local ball yard. Harley Howe's Game. Just draw a ring around the name of Howe for he's the party that made the saint batsmen whiff at balls as if they were wearing smoked glasses. The accomplishments of the aforesaid gent should be engraved on the heart of McBrine's faithful followers young and old alike.

Gerow grounded to Long. A. Ramsey rolled one to the pitcher and Humphrey did likewise to T. Howe. For the Clippers H. Howe grounded to Gerow. Woods grounded to Copeland and Mills struck out.

And The Finish. Humphrey grounded to T. Howe and was out easy. A. Finnamore dropped E. Ramsey's difficult fly. Copeland hit to Lynch who threw Ramsey out at second. Yarmouth, July 30.--At six o'clock yesterday afternoon as the tug McNaughton was coming into the harbor with an empty scow in tow and when she was just abreast the light-house, a stud blew off her boiler badly scalding Alfred Veinot, the fireman. When the accident occurred Veinot was in the act of strapping his fire and was struck by the full force of steam, 130 pounds pressure, on the right hip and thigh, his flesh being almost cooked. The clouds of steam and smoke were observed from the lighthouse and word was telephoned to Yarmouth that the Mace Naughton was on fire and the tugs Wanta and Freddy E. V. were immediately despatched to her assistance and they took her in tow and brought her to her dock, where the damaged boiler was repaired. Veinot was sent to his home.

THIS PITCHER FANS 'EM OUT. Walter Johnson, star of the Nationals' pitching staff, is going after the strikeout record this year, and if he keeps up the pace he has cut out, he probably will succeed. The present record of strikeouts for a season in the American league is held by Babe Waddell. When the eccentric one was with the Athletics in 1903 he whiffed 301 batters. With the American league season approximately half over on July 25, Johnson has fanned 176 batsmen. His record of strikeouts by teams is as follows: St. Louis, 43; Cleveland, 15; Detroit, 22; Philadelphia, 26; Chicago, 14; Boston, 31; New York, 25.

NEW MONOPLANE RECORD. Brussels, July 31.--M. Wollastegiers, the Belgian aviator, yesterday made a monoplane flight to a height of 1439 metres (4712 feet). This is a new world's record for monoplanes.
