W. I. WHITING.

WE request the Ladies to call at No. 11, North Side King's Square, St. John, and judge from personal examination whether it is any exageration to say that RAYMOND'S SEWING MACHINES are the simplest, most durable, least liable to get out of order, and most easily worked of any; and that his FAMILY SINGER

will do a greater variety of work than any other Machine. The universal adaptation, un-equated beauty and simplicity, perfection of material and style of finish, recommend his several varieties of SEWING MACHINES as the best, while their low price places them within the reach of all.

AP Machines rented and sold by instalments. Stitching, hemming, frilling; and tucking, done with neatness and despatch.

Public Notice.

St. John, 24th August, 1872. Nursery Rhymes, No. 15. JOE BOGAN-IN MEMORIAM. It was a darksome windy night, And rain and sleet came tearing down, When from the outskirts of the town, Joe Bogan came home "stiff and tight. A shocking hat smiled on his head, And several tears lay on his cheek; In vain he, mutt'ring, tried to speak, But speech from him long since had fled.

His coat lay mildly on his back;
His boots were foowhides rudely made;
The men who found him gently laid
Him on a spike, then called a hack. They waltzed him up a flight of stairs, Then hastened to the IPharmacy, And there they purchased seenna-tea, And left him to his own affairs. The morning dawned, and with the sun Joe Bogan tried in vain to rise; His wife prepared a sweet surprise, And shot him with a wooden gun.

She banged him on the head and nose, Until a stream of claret flowed; And with a broom his hair she mowed, And put a corn between his toes. With grief poor Bogan that night died: He drinks no more pale brandy cold, Nor takes delight in whiskey old, But in a hearse he took a ride. MORAL.

Pray do not heed this warning late; I ask thee, lend to it an ear: Give drinking up, renounce thy beer, Elso on a bier will be thy fate.

NOTES.
