We present this our Annual Report with praise and gratitude to our Heavenly Father, for the acceptance of the work we have been enabled to do "In His Name."

There are thirty-nine members on the roll, with an average attendance of fourteen.

Thirteen business meetings have been held and several sewing meetings, at which quilts and various articles of clothing were made for distribution.

Many poor families were helped most liberally with food, rent and fuel.

The envelope system is still in force and has been very successful throughout the year.

A Fuel Club was organized in March, the Society promising to add ten cents to every dollar subscribed. Several families thus saved something towards providing for winter's scarcity and severity of climate.

Meetings are held on the last Tuesday of each month, and all ladies are earnestly urged to come and help in this important work of caring for the poor and sick around our doors.

M. G. WILLIAMSON,
