Your income! It isn't what you  
receive, but what you spend, that  
makes you prosperous, or otherwise.  
Saving 50 cents on this, and 25 cents  
on that, and 10 cents on something  
else by trading here, in a little while  
spells prosperity. Even on smaller  
scales, the saving of five cents or a  
cent here and there amounts to a  
great deal in the aggregate. "Our  
Cash Check System" does all the above  
says. We are saving our customers  
who are taking advantage of it, lots  
of dollars. R. T. Craig & Co.
