## Appin

The regular monthly meeting of the Women's Institute will be held at the home of Mrs. Jones on Thursday, 29th April, at 3 o'clock. A full attendance is requested. The officers for the coming year will be elected and delegates will be appointed for the district annual convention to be held in Delaware on June 1st. The call to be answered re work and management for meetings the coming year. — J. I. Macraut, secretary.

Ferg. Huston is leaving for London this week, having disposed of his business here.  
Miss Frances Seymore of London is visiting Mr. and Mrs. Richard Pettit.  
Mrs. E. O. Emery of Detroit is visiting her sister-in-law, Mrs. H. B. Watterworth.

L. D. Galbraith and Miss Ruth Glanfield were married last Thursday at the home of the bride's parents in Jarvis. We all wish them a happy and prosperous life.

McDonald & McIntyre are making extensive repairs to their grocery store.  
Ferg. Huston was presented on Monday evening with a handsome gold-headed cane by his many friends in and around Appin in token of the esteem in which he is held both as a business man and for the keen interest he has always displayed in working for the welfare and improvement of the little village. All wish him a happy and prosperous future in his new business in the city of London.

Miller's Worm Powders will eradicate the worm evil that bears so heavily on children and is believed to cause many fatalities. They are an acceptable machine to children and can be fully relied upon to clear the food channels thoroughly of these destructive parasites and restore the inflamed and painful surfaces to healthfulness. They are an excellent remedy for these evils.

### Farmers and Prices.

A farmer drove into town the other day to purchase a buggy and the dealer showed him one at \$90.  
"Talk about the high cost of living," the farmer grumbled. "I can remember that my father bought a buggy exactly like that for \$90 twenty years ago."

The dealer remembered the sale too, and he responded quickly:  
"Your father turned in 300 bushels of corn to pay for it. Now I will do better by you than by your father. You bring in your 300 bushels of corn and I'll let you pick out this list."

- One \$90 buggy.
  - One \$75 wagon.
  - One \$20 suit of clothes.
  - One \$20 dress.
  - One \$5 baby dress.
  - One \$5 crib.
  - One \$4 box of cigars.
  - \$10 worth of sugar.
  - \$10 worth of tea.
  - \$10 worth of gasoline.
  - \$17 worth of kerosene oil.
- The total figured \$365, the value of the 300 bushels of corn it had taken to buy a \$90 buggy twenty years ago. The farmer climbed back into his motor car.
- "I guess I haven't any kick coming on the high cost of living," he said. "Send out that \$90 buggy."

**Best I Ever Used.**  
ANGUS SIMPSON Saria, Ontario, says: "I have used Homestead Bone Black Fertilizer and want to tell you that it is the best fertilizer I ever used, both on my onions and beets and potatoes."

**Results Were Wonderful.**  
W. M. PACH, Lambeth, Ontario, says: "I purchased Homestead Fertilizer from H. Hamlyn, Lambeth, merely as a test. The results were wonderful. The ground between the rows was covered by the tops. The yield was extra good. I can easily see how anybody would be greatly benefited by Homestead Fertilizer."

**Well Pleased**  
JOE MOSSEAU, Belle River, Ontario, says: "I used Homestead Bone Black Fertilizer last Spring on my potatoes, and am so well pleased that I must write you about same. I made a thorough test with two bushels of seed potatoes. They produced forty bushels and where I did not fertilize they were a failure."

**Three Times the Crop**  
CLARENCE RALF, Orwell, Ontario, says: "I bought some Homestead Bone Black Fertilizer from Charles Minard, and used it on part of my onions. Where I used it, I had three times the crop I had where there was no Fertilizer. My corn was the same."

**Write Michigan Carbon Works, Detroit, for free book and particulars about their Homestead Bone Black Fertilizer.**

**Exhausted from Asthma.**—Many who read these words know the terrible drain upon health and strength which comes in the train of asthmatic troubles. Many do not realize, however, that there is one sure remedy which will surely stop this drain. Dr. J. D. Kellogg's Asthma Remedy is a wonderful check to this enervating ailment. It has a countless record to its credit. It is sold almost everywhere.

## After Easter—What?

On Friday and Saturday, April 20th and 21st, we will display new ideas in

**Summer Millinery** worthy of your consideration. It will pay you to come and see them.

## This Coupon is for Every Farmer who is willing to use Help

The Empire must be Fed or we lose this War Where is the Labour coming from? Everywhere.

As the District Representative of the Department of Agriculture I have orders to do my utmost, amongst other duties, to encourage production of Farm Products and particularly to assist in securing a supply of farm labour.

By a system, I report on both the available supply of labour and the local demand. If the demand exceeds the local supply I have the whole Province to draw on, through the Ontario Government Public Employment Bureaux which I represent in this District, and I will do my utmost to see that my District is supplied.

I am satisfied that if the farmers in my District who are anxious to fill a patriotic duty and take advantage of the strong demand there is and will be for every pound of food stuff that can be produced—want or will use the available labour, they can get good help by filling in, clipping out and mailing the above Coupon. But you should do it today.

The Motherland sorely needs food.
