S.U.B. BUILDING POLICY

PROMOTION OF IDEALS, OR CENSORSHIP?

At this time the SUB Building policy reads, "The Students' Union was not intended to be used as a forum for activities or events of a sexist, racist, degrading, or otherwise offensive nature. The following guidelines are designed to put the interpretation of the aforementioned in the hands of accountable student representatives..."

"The enforcement of this policy is the responsibility of the Vice-President (Internal Affairs). The Vice-President (Internal Affairs) shall have the authority to prohibit programmes which s/he deems to be of an offensive nature..."

The decision of the Vice-President (Internal Affairs) may be appealed to the Students' Union Executive Committee or Building Services Board and then Students' Council if the complainant is not satisfied with the decision.

Building Services Board (May 23) decided to delete this policy as it felt that the Students' Union had no legal right to censor activities by any student or group of students so long as the event did not contravene any existing laws. Students' Council overruled BSB on May 29, 1984 and asked for student input.

FACT: Fundamental freedoms under the *Canadian Charter of Rights and Freedoms*. "Everyone has the following fundamental freedoms: (a) freedom of conscience and religion; (b) freedom of thought, belief, opinion and expression, including freedom of the press and other media of communication; (c) freedom of peaceful assembly; and (d) freedom of association.

QUESTIONS: Is the present SUB building policy illegal? If not, should the Students' Union promote that which we feel to be acceptable, and ban whatever we feel to be unacceptable to the general welfare of students?

FACT: The mortgage on the Students' Union Building costs over \$11 per full time student. Caretaking and maintenance, over \$9 per student.

QUESTIONS: Does every student have the right to do what they want to do so long as their actions are not illegal? Or, does any student have the right to not have in SUB, any event which they find offensive? If a student group is not allowed to hold their event in SUB due to building policy, should they get their \$20 per student back?

This section of the building policy came forth a few years back after the "Mr. Nude" and "Miss Nude" Alberta shows were held in SUB Theatre by a non-student organization. Since then, student groups have had this policy used as a tool against them to enforce "acceptable" entertainment during their events. In the past, the Med students and the Engineering students have been warned about their shows. In the future, the IFC "God and Goddess" competition may be declared "sexist."

On October 11, Building Services Board will be meeting at 5:00 in room 034 SUB to recommend to Students' Council what the future policy should be.

The options are as follows:

- 1) No censorship.
- 2) Censorship according to the existing policy.
- 3) Censorship by a different group other than the present Students' Union boards.

Written submissions with signatures are recommended as this will show the support your point of view has with the students. The recommendation of BSB to Students' Council will be directly related to the number of students who want a specific policy as outlined in the previous paragraph. All written submissions should be dropped off at Room 259 SUB by Thursday, October 11 at noon.

THE CHOICE IS YOURS!!
