

25040-4.

Ottawa, July 27, 1927.

Sir,-

In 1924 the Department transferred the Soldier Settlement farm of William Johnson to you and you entered into an agreement to make repayment of your loan each first of November. So far you have failed to make any payment and there are now arrears to the amount of \$242.60 with interest at 5% from last November. From reports received you are industrious and trying to get along and the Department hopes that you will make a success. I feel encouraged from the report received of you and trust that this season's crop will be a beautiful one and that next fall you will be able to pay a substantial amount on your indebtedness.

Your obedient servant,

ALEX. F. MacKENZIE

A. F. MacKensie.
Acting Assistant Deputy and Secretary.
