Rt.Hon.Arthur Meighen,  
Senate of Canada,  
Ottawa.

Dear Mr.Meighen:

I appreciate your sending me the material regarding the Roosevelt policies.

I have been confined to my home through illness for some weeks and am only now getting about again.

I hope to be able to go to Ottawa before long, and in the meantime may I tell you how closely we follow everything you do and say, and how our admiration for you and your great knowledge and ability grows as the years pass.

With kindest personal regards and cordial good wishes,

Yours faithfully,

W.H.Dennis
