Dear Sir:

I have your letter of 23rd. The man you should write to, making application, is Mr. J. B. Harkun, Superintendent of Dominion Parks, Interior Department, Ottawa, Ont. I am inclined to think, however, that all appointments are made under the Civil Service Commission, and Mr. Harkun will advise you as to this if you write him. He will also be able to tell you whether there will be any likely vacancies in the near future. Personally I am not in touch with the Department at all, and am a long way from any park, so have no special information I could give you.

Yours very truly,

Arthur Meighen.
