OTTAWA, 25th July, 1915.

Sir,-

I enclose herewith copy of a letter which has been received from Mrs. Thomas Lohr, in which she asks for assistance and to have a doctor visit her boy who has been ill for a long time. You should inquire very carefully into this case and make full report thereof to Head quarters. You should have the nearest salaried medical officer visit the boy and give him such attendance as is required. The doctor's report on the case should also be submitted to the Department by you. This matter should receive immediate attention.

Your obedient servant,

Asst. Deputy and Secretary.
