

MEMORANDUM
Privy Council Office C245017

Ottawa, November 24th, 1944.

For Mr. Gibson:

The Prime Minister asked to have returned to him at Laurier House the 2nd page of P.C. 8891, on which he had inserted a sentence, by hand. This is a retyped first page which you might add to it, as a matter of record.

A.D.P.H.
