

INGERSOLL FOUNDRY.

EASTWOOD, MARR & CO.,

MANUFACTURERS OF IMPROVED

REAPERS, MOWERS,

THRESHING MACHINES,

AND

AGRICULTURAL IMPLEMENTS

GENERALLY.

The Proprietors have lately largely increased their facilities, and are now prepared to offer the farming community the best Agricultural Implements at prices which defy competition.

DODGE & STEVENSON'S COMBINED MOWER AND REAPER,

PATENTED, WITH SELF-RAKER.

WE ALSO MANUFACTURE

Ball's Ohio Mower and Reaper,

With the Dodge & Stevenson's Self-Raker, and have given the Machine a faster motion, with shorter sections.

THRESHING MACHINES.

We are now manufacturing our celebrated Threshing Machines, which have given universal satisfaction, and which took the FIRST PRIZE and DIPLOMA last year, at the Provincial Show, in London.

EVERY ARTICLE WARRANTED, AND NONE BUT THE BEST MATERIAL USED.
