becoming acquainted with each other. At the banquet a most enjoyable evening was spent. After discussing the buainess thoroughly, the agents returned more than ever convinced of the good qualities of the Frost fence, and of the kind hospituality of its energetic management.

## Seeds for Testing

Seeds for Testing The Secretary, Mr. C. A. Zavitz, announces the annual distribution of seeds by the Ontario Agricultural Ex-perimental Union. These seeds have been selected from the best seeds tested at the College for live years, and will be sent only to people living in Ontario. Seeds will be furnished in the order of application until sup-ply is exhausted. Each applicant should make a second choice for lear the first could not be granted. Apply to the Secretary O.A.C., Guelph, Ont. The following is the list of co-oper-tive experiments for 1903 to be tested: No. Eventure Black

Experiments Plots.
