## *A Letter to the Pupil*

DEAR LITTLE PEOPLE:

This is Anna Margaret. She is starting out on a new slide, just as you are starting out on a new year. Now if Anna Margaret can steer true—why, she will have a fine time.

And you little people will have a fine time this year, too, if you steer straight—if you learn to keep the rules given in this book. They are God's rules, the Ten Commandments, and he made them on purpose for us to steer ourselves by. Do you want a fine time? Then learn the rules and mind them.

Your loving friends,
