GOSSIP.

Messrs. Graham Bros., of Claremont, Ont., recently purchased from the Chestnut Hill Stock Farm, Pa., the Hackney stallion, Stampede 341, sired by the famous Wild Fire No. 371, by Confidence 1265.

Henry Arkell, Arkell, Ont., writes: "I have just received from England, through Mr. Geo. McKerrrow, Sussex, Wis., a nice importation of ten yearling ewes and two rams, the latter to head my flock. They should leave some good stock. One of them in particular would be hard to beat. To use Mr. McKerrrow's words, 'He was the best Oxford field yearling I saw in England.' I have sold all my fitted show stuff, 35 head in all. They went to Wisconsin, Ohio, New York, Iowa, Illinois, British Columbia, Ontario, and Nova Scotia. I have 50 field yearling rams on hand, 100 fine ram lambs, and a few yearling and two-shear ewes, for sale at reasonable prices."

BRAMPTON JERSEY HERD.

This herd is in excellent form, and although deprived of stables, owing to rebuilding, are doing big work in the dairy, some of them making large records, while the young animals are growing beautifully. Several important sales have been made recently, some of the young Monarchs, sons of imp. Monarch, who holds the championship of Ontario, being widely scattered. One, Artisan of Brampton, has been cutting quite a figure in Manitoba, winning first in his class and sweepstakes as the best bull of any age at Winnipeg and Brandon, in July. This is nothing more than might be expected from such a sire and such superior cows as the Brampton herd is composed of. There are six of those bulls still for sale, from such cows as Minette, Rhoda, Sunbeam, Rhoda Poggis, all of Brampton, a rare chance for Jersey men to put a desirable animal at the head of their herd. Nineteen entries have been made for the Toronto Industrial. The stables which are being built for this herd are nearing completion. They will accommodate upwards of sixty head, and are pronounced by some cattlemen to be equal to any they have seen, being light, airy and convenient, with silos and dairy attached. The firm are to be congratulated upon their enterprise and success.

THE LINCOLN RAM SALES.

At the annual sale of Lincoln rams, held in the City of Lincoln, Aug. 3rd, Mr. Dudding's 5 rams averaged £71 8s.; Mr. J. E. Casswell's 25 rams, £15 17s.; Mr. Tom Casswell's 20 rams, £30 17s. 4d.; Messrs. S. L. Dean & Son's 19 rams, £32 19s. 10d.; Mr. John Pear's 13 rams, £20; Mr. Henry Smith's 6 rams, £38 15s.; Messrs. Wright's 20 rams, £28 8s. The highest price was 150 guineas for one of Mr. Dudding's; the next 130 guineas for one of Messrs. Dean's; and the third 105 guineas for a ram of Mr. Tom Casswell's.

BORDER LEICESTERS.

At Kelso last month there was a splendid exhibit. The aged rams were a superior lot, but the Highland form was not altered. Mr. McIntosh's Dundee champion being first, and Mr. Templeton's Galashiels champion Sensation second. Mr. Richard Ross had the third, and Mr. A. Fairbairn the fourth. In a class of no less than 18 shearing rams Mr. Thos. Clark, Oldhamstocks, secured all the prizes, with typical representatives of this well-known flock. His first-prize sheep was the winner of the president's medal at Stirling, and also secured the special for the best shearing ram. Mr. Jas. Nisbet, Lambden, Greenlaw, was first for Leicester ewes which have reared a lamb in 1900 with an outstanding animal, Mr. Matthew Templeton, Sandymon, Kelso, was second with a nice level sheep, and Mr. Thomas McIntosh, Balquharn, Brechin, commended. The crack sheep of this section, however, was Messrs. J. & J. R. C. Smith's first-prize shearing ewe by the Hawkrig ram Snow in Sum. mer. She is quite an exceptional animal, and was second at the Highland. She was not looking so well at Stirling as she was here when she was awarded the challenge cup for the best exhibit in the Border Leicester classes. Mr. Thos. Clark was second, highly commended, and commended, with three fine animals.

CLYDESDALES FOR CANADA.

From the Scottish Farmer we learn that Mr. Robert Ness, Howick, Quebec, recently sailed from the Clyde with a choice selection of six Clydesdale stallions, four of which are two-year-olds, one a three-year-old, and one a four-year-old. Three of the former are by the celebrated Baron's Pride (9122), and were purchased from Messrs. A. & W. Montgomery, and the fourth is by the great Sir Everard (5353), the sire of Baron's Pride, and was purchased from his breeder, Mr. A. A. Lang, Garneyland, Paisley. His dam was Mr. Lang's noted prize mare, Broomfield Lass, by the Darnley horse, Gartsherrie (2800), with more he bought at a long price at Mr. Sinclair Scott's sale. The three colts bought from the Messrs. Montgomery are: Copyright (10724), Baron Frederic (18681), and Zenith (10650). The first is a remarkably well-bred colt, bred at Barcheskie, and out of the Macgregor mare, Trilby of Barcheskie (12582), whose dam was by the Glasgow premium horse, Lord Hopetoun (2365). The second was bred at Drumflower, and is out of the fine bred colt, bred at Barcheskie, and out of the Macgregor mare, Trilby of Barcheskie (12582). The third, Zenith, deserves his name, and is out of a Macgregor mare, whose dam was by the great show horse, Baron Keir (34), which won on both continents. From Mr. James Kilpatrick Mr. Ness has bought the thick, short-legged four-year-old horse, Up-to-Date (10474), by the final Cawdor Cup champion, Royal Garty (8844), out of a mare by that lovely horse, Orlando (8922); a horse of unusually good breeding; and the three-year-old, Casper (19014), got by the Cawdor Cup horse, Prince of Kyle (7155), out of a mare by the Darnley horse, Johnnie's Style. These are a pair of right useful horses, and the six make up an unusually strong shipment.
