KION'S RIVER.

Psalm lxxvi. English psalm 111.

BY DAVID IRVIE.

There is a river deep and broad,
Whose waters as they flow
Make glad the city of our God,
His dwelling-place below.
Among the surrounding hills,
It finds its ample source;
And every land with blessings fills,
Where'er it takes its course.
There is the water and there its power,
To wash away my sin;
For Jordan's waters cannot cure
The leprosy within.
They let my soul in thirst allay,
Nor thump the world again;
For there is life without decay,
And pleasure without pain.
Lead me, O heavenly Shepherd lead,
Beside these waters fair;
There let me in thy pastures feed,
And find salvation there.

WASHING, WRINGING & MANGLING MACHINES.

All thorough Housekeepers should have one of these best and improved Patent Washing, Wringing and Mangling Machines, in their Laundry. They have long since been tested and proved to be a good and useful article, combining in economy the saving of Soap, Labour and Fuel, and less wear and tear of articles, as when washed by the hand. This machine will wash large articles, such as Blankets, Flannels, &c., in a very short space of time, superior to anything of the kind done by the hand, being enabled to use boiling water, or water so hot, that it is impossible for hand to work in; it softens, opens the grain, and pulls out the wool, and is made nearly dry by passing through the wringing machine. This machine will wash all kinds of articles, such as Table Linens, Towelling, Showings, and all other articles as done by the old Mangles; can be used at any time without the trouble of the fire in heating and ironing this hot water. The Machine occupies very little room, not more than two barrels.

Also—Two or three small Patent CHURNS on hand, and a very superior Patent Cheese Press.

Terms—Cash on delivery. Apply to H. G. HILL, No. 9, Brunswick Street.

N. B.—Parties wishing to secure a good substantial article, had better call in time, as there are only a few left. Sep. 5.

To Intending Emigrants FROM NOVA SCOTIA.

THE CANADA COMPANY would submit to the serious consideration of parties who may contemplate leaving Nova Scotia whether the Western Section of Canada (formerly the Province of Upper Canada,) does not offer every inducement for them to settle there, rather than that they should proceed to the United States. In Upper Canada they will find a most healthy climate, the soil very fertile, and abundance of excellent Land to be obtained upon easy terms from the Government and Canada Company. The great success which has attended Settlers in Upper Canada, is abundantly evidenced by the prosperous condition of the Farmers throughout the Country, and is also shown by the success of many Natives of New Brunswick and Nova Scotia who have settled in many Townships of the Country;—and the individual progress made by several thousands of people who have taken Lands from the Company, corroborates the success which has attended settlement in Upper Canada.

THE CANADA COMPANY'S LANDS

Are offered by way of Lease for Ten Years; or for Sale, Cash down. The plan of 1-5th Cash and Balance in Instalments, being done away with. The Rents, payable 1st February each Year, are about the Interest, at Six per Cent., upon the Cash Price of the Land. Upon most of the Lots, when Leased, no Money is required down;—and upon the others, according to locality, One, Two, or Three Years' Rent must be paid in advance, but these payments will free the Settler from further Calls, until the Second, Third, or Fourth Year of his Term of Lease.

The Settler has secured to him the right of converting his Lease into a Freehold, and of course, stopping payment of further Rents, before the expiration of the Term, upon paying the purchase Money specified in the Lease. The Lessee has thus guaranteed to him the entire benefit of his Improvements and increased value of the Land he occupies, should he wish to purchase. But he may, if he pleases, refuse to call for the Freehold; the option being completely with the Settler.

A Discount, after the rate of Two per Cent., will be allowed for anticipated payment of the purchase Money for every unexpired year of Lease, before entering the Tenth Year. The Lessee has also secured to him the benefit of the

Evans, Halifax, of whose permission the Company avail themselves to re-engage parties to him, as a gentleman long resident in Western Canada, and who, possessing Maps, will afford information respecting the Company's Lands, and upon Canada generally. "Star Life Assurance Company," OF LONDON.

THE AGENCY of this Company has been established in this Province about three years, and has made some progress, and up to the present time, without a claim being made upon it. The Directors have recently instructed the Agent to allow persons insuring for the whole term of Five years, to pay the premium for the first five years, and give a non-bearing interest, for the remaining half, upon the same condition as the National Loan Fund Association. As the proportion of profits divided among the Policy holders, with participations is greater in this than any other Company—being 90 per cent.—it therefore recommends itself to the favourable consideration of all persons intending to insure, the rates being as low as in any other Company. If persons would give the subject of Life Assurance their serious consideration, they would be convinced that it is the very best investment to be found for a moderate amount of money, for the benefit of their families after they are no longer with them. The attention of heads of families in this Province generally, and those of Wesleyans in particular, is earnestly invited to this subject, and while the business of Health is enjoyed, to call upon the Agent of the "Star" Association for admission into the Society, who will furnish all necessary blanks and give every information requisite at his office in Jerusalem Warehouse, Hollis Street. DANIEL STARR, Agent.
