CAN'T AND TRY.

"Can't do it" sticks in the mud; but "Try" soon drags the wagon out of the rut. The fox said, "Try," and he got away from the hounds when they almost snapped at him. The bees said, "Try," and turned flowers into honey. The squirrel said, "Try," and he went to the top of the beech-tree. The snow drop said, "Try," and bloomed in the cold snows of winter. The sun said, "Try," and spring soon threw Jack Frost out of the saddle. The young lark said, "Try," and he found that his new wings took him over hedges and ditches, and up where his father was singing. The old ox said, "Try," and ploughed the field from end to end. No hill too steep for Try to climb, no clay too stiff for Try to plough, no field too wet for Try to drain, no hole too big for Try to mend.

To CURE A CORN. - There is no lack of so-called cures for the common ailment known as corns. The vegetable, animal, and mineral kingdoms have been ransacked for cures. It is a simple matter to remove corns without pain, for if you go to any druggist or medicine dealer and buy a bottle of Putnam's Painless Corn Extractor and apply it as directed the thing is done. Get Putnam's and no other.

A PLEASING DUTY. - "I feel it my duty to say," writes John Borton, of Detroit, P.Q., "that Burdock Blood Bitters cured my wife of liver complaint, from which she had been a chronic sufferer. Her distressing, painful symptoms soon gave way, and I can highly recommend the medicine to all suffering as she did."

A HIGH VALUATION. - "If there was only one bottle of Hagyard's Yellow Oil in Manitoba I would give one hundred dollars for it," writes Phillip H. Brant, of Monteith, Manitoba, after having used it for a severe wound and for frozen fingers, with, as he says "astonishing good results."

The All-Rail Route.

THE GREAT FOUR-TRACK New York Central and Hudson River Railroad
