## Summer Service on a Farm

That's what is meant by the call for Soldiers of the Soil to Serve our Soldiers—you are needed to join up with the thousands of other boys who have already enrolled to go out and work on a farm this summer to grow food for our soldiers.

Thousands of boys who were never before on a farm went out last year, and made good. You can do the same.

High School Boys, Tech. School Boys, Boys in Factories, Offices and Warehouses—every boy between 15 and 19 years of age should join up. The pay is good, and the work healthy.

The Canadian Government will give a Bronze Badge after three months' service, and in years to come you will be as proud of having done your bit as the soldier is of having done his bit.
