DOES IT PAY

The Manufacturers Life Insurance Company

Head Office - Toronto, Canada

P.S.—Have you received our Booklet "Facts?"

to carry Life Insurance? There is only one answer, either from a financial or peace of mind point of view. The ever-increasing amount of life insurance written, not only by our Company but other representative institutions, is an evidence of its merit.

If it is good business to carry Fire Insurance and every sane business man believes it is—then it should be equally good business to carry Life Insurance. A Fire Policy may become a claim, while a Life Insurance Policy must either by death or maturity.

Write us to-day, stating your age whether married or single, and we shall be pleased to forward you particulars of a policy best suited to your needs.

A SPECIAL SERVICE

Many men and women reluctantly assume the duties of Treasurer or Trustee of Charitable, Social, Fraternal, Educational, Religious or Civic organizations. The duties while responsible, may not require the full time of a salaried official. There are many advantages in the employment of a Trust Company in such cases: it is permanent, experienced, and responsible; it has unusual facilities for supervision and audit and for the safeguarding of books of record, documents and funds.

Consult us about the many phases of this Special Service.
