Our Policy

It is our policy to market our entire product direct to the consumer. We employ no agents, we pay no commissions to anyone, and by adhering strictly to a cash policy we eliminate all losses due to open accounts. We give YOU the benefit of this saving in the price quoted. If you will send us your bill of material, we will promptly send you an itemized estimate, telling you what each item costs, as well as the cost of the entire lot, delivered, FREIGHT PAID to your station. If your requirements are not sufficient for a carload (which requires about 20,000 ft.), get your neighbors to join with you. We will load each lot separately, no matter how many. Our terms are 25 per cent. to accompany the order, and the balance on arrival of car at your station; with the guarantee that all material and mill work will be strictly No. 1 quality, and satisfactory to you in every respect. The prices shown on this list include delivery, FREIGHT PAID, to any point where the freight rate on lumber does not exceed 40c per hundred pounds.
