### THE ACADIAN.

WOLFVILLE, N.S., JAN. 17, 1895.

#### Local and Provincial.

The annual roll-call of the Wolfville Baptist church is to be held on Tuesday evening, January 22nd.

The N. S. Central Baptist Association has been invited to hold its next session with the church at Gasperau.

It is reported that some fifty families will leave Prince Edward Island for Manitoba about the first of April.

A new library containing a large number of books has recently been purchased by the Methodist Sabbath-school of this town.

After January 13th, A. J. McKenna, D. D. S., will be at his office in Wolfville every day. Hours: 9 to 12 A. M.; 2 to 6 P. M.

It is reported that Mr. S. P. Benjamin, of this town, is to commence operations at the old Morton's Mills, on the west branch of the Forks river.

There will be four eclipses this year, two of the sun and two of the moon. The only one visible in Canada will be a partial eclipse of the moon on August 12.

Three sailors passed through town on foot on Friday 10th on their way to Parrabro. They had left a sch at Wolfville and were walking home to Parrabro. Handport. Advance.

We have received from E. S. Crawley, Esq., very pretty calendars of the "Commercial Union" and "Sun" insurance companies. Mr. Crawley is agent in Wolfville for both these companies.

To-day is the last day for payment of rates and taxes in the town in order to secure the privilege of a vote in the coming election of Mayor and councillors. A change has been made in the law by which it is only necessary that water rates be paid up to the end of the year, and not for six months in advance as formerly.

The Provincial Farmer's Association held their annual convention at Kentville, in Margeson's Hall, on the 21st and 22d of January. The programme will include addresses by Dairy Commissioner Robertson, President John B. McKay, Col. W. M. Blair, Prof. John Craig, Mr. J. E. Hopkins, Mr. John Clark, Prof. Faville, Mr. Wm. Young and others.

The Nova Scotia W. C. T. Union, under the leadership of Mrs. Frank Woodbury, of Dartmouth, commences the new year—its first year of existence as a provincial union—with a fair prospect of success. It has taken up eleven departments of temperance and philanthropic work, and hopes before its first convention to have increased sufficiently in numbers and strength to adopt all the departments formerly carried on by the Maritime W. C. T. U.

The Leap Year Skate in Aberdeen rink on Wednesday evening was numerically a success. But if the coolness with which the fair ones treated the gentlemen on that occasion (with a few charming exceptions) may be taken as a criterion, the bachelors are tolerably safe for a while yet. The ice was in perfect condition, and with the excellent music rendered by the Wolfville Band, made the skating a very enjoyable one, notwithstanding the rigidity of the atmosphere.

After the skaters were called off, a scratch hockey match was played, between teams captained by Harry Johnson and H. Moffat, which resulted in favor of the latter team, by a score of 2-0.

Personal Mention.

(Contributions to this department will be gladly received.)

Rev. K. C. Hind is enjoying a vacation in the neighboring Republic.

Mr. E. H. Saunders, representing the Halifax branch of R. G. Dunn & Co's commercial agency, was in town this week.

Rev. J. Howard Bass left here on Monday for New Bethlehem, Pennsylvania, where he will supply the Baptist church for a few months.

Mr. W. M. F. McDonald, who was formerly for some time a resident of Wolfville, spent a few days in town this week. He has been recently living in Providence, R. I.

Attention is directed to the announcement of Messrs C. E. Starr & Son, which appears elsewhere in this issue. The firm has purchased the business lately carried on by Mr. J. L. Franklin and will conduct a general hardware business. They will also deal largely in flour and feed and agricultural implements. Mr. Starr, who is a native of the county, has been engaged in business in Boston for the past 28 years. For the present Mr. Franklin will continue to assist in the business. We welcome the new firm to our town and wish them much success.

Rev. John Watson, (Jan MacLaren), author of "Beside the Bonnie Brier Bush," and "Auld Lang Syne," has closed a contract for a lecture tour in the United States and Canada, beginning in October next.

Ask for Rand's Emulsion and be sure you get Rand's. Don't take any substitute even if it is "just as good."

Sleighting is now quite good around town and a little more snow would make it good throughout the county.

The Municipal Council has been in session at Kentville this week.
