DR. A. W. CHASE'S 25c CATARRH CURE

Is the best cure for the disease known by the medical profession. It is a simple, safe, and permanent cure. It is sold by all druggists and by A. W. Chase, 100 West 14th St., New York.

A Russian chemist has discovered that at mice have a peculiar dislike to the odor of peppermint. He places small pledgets of cotton saturated with peppermint oil in openings made by the mice, and they do not show up for some time. Later the mice make an attempt to return but the peppermint oil is once more used, and the mice don't come back.

Gottiemann—'While driving down a very steep hill last August my horse stumbled and fell, cutting himself severely about the head and body. I used MINARD'S LIMENT freely on him and in a few days he was as well as ever.'

J. B. A. BEAUCHEMIN, Sherbrooke.

Mrs O'Hara—'Did you hear de airs Mrs Quin's been putting on?' Mrs O'Malley—'Sure, and she's after putting in de newspaper that she's intermarried informally at de tea hour yesterday in honor of herself, wid de Misses Rielly passing de strawberries and doughnuts wid chiffling lists, and Mrs Scully pourin' de tea, and Mrs O'Neil de coffee, but niver a word did she put in about me dat mi keel de cow fer an I washed de dishes.'

Everyday gives the 'best' of more people than any il pos and yellow fever combined. In an army it is dreaded more than a battle. It requires prompt and effective treatment. Chamberlain's Colic, Cholera and Diarrhoea Remedy has been used in nine epidemics of dysentery in the United States with perfect success, and has cured the most malignant cases, both of children and adults, and under the most trying conditions. Every household should have a bottle on hand. Get it today. It may save a life. Sold by G. V. Rand.

Cut up a loaf and let it boil with carrots and green peas till so tender that the bones can be readily picked out with a fork. Then drain and put all into a mould, pressing firmly into position. When perfectly cold it is to be sliced and trimmed with a parer of parsley.

The small boy may be late at Sunday school occasionally, but he never misses the first act when a circus comes to town.

Use Every Day.

When you become acquainted with the merits of the Chamberlain's Ointment and the numerous ways in which it is useful, in every case, it would be a waste of time to let it go without its use. It is a simple, safe, and permanent cure. It is sold by all druggists and by A. W. Chase, 100 West 14th St., New York.

Kept Free by Doctor's Bills.

Many a family is kept poor by doctor's bills when just as good and oftentimes better rest could be obtained by the use of Dr. Chase's Kidney-Liver Pills which sell at 25 cents a box of twenty-five doses. As one pill a day is the most frequent dose made, any circumstances there is no treatment obtainable which costs so little and at the same time none that is so good about such excellent results in derangements of the kidneys, liver and bowels.

Judging from what they have to show for it, some people's time must be counter it money.

A. J. WOODMAN,

Always Disappointed!

'When I'm standing at my gate and looking up the road,' said the old farmer, as he drew a long whiff on his pipe, 'and a feller leaves into view with a hay horse and a buggy with rubber tired wheels, it don't take me over five minutes to make up my mind that he's coming to ask for the hand of one of my seven gals.'

'And does it turn out that way,' was asked.

'Never. He drives up and gets down and comes in, and just about the time I get my smile on and ready to ask him whether he wants Mary or Hamner he heads me off with: "Say, Uncle Rub, I've got a gold brick here in my coat tail pocket, and as I'm lettin' hard up to-day I'll sell the blamed thing for about half 't's worth."

What is Catarrh?

It is an inflammation of the mucous lining of the throat, bronchial tubes and nasal passages created by germs that can only be destroyed by fragrant healing Catarrhose, which is breathed direct to the seat of the disease, and has never yet failed to cure. Catarrhose always gives relief.

'I suffered from nasal catarrh so badly that I couldn't breathe through my nose, writes G. K. Wilmot of Meriden. I used Catarrhose for a few minutes and was relieved. It cured in a short time.' No other remedy just like Catarrhose. It's the best. Two months' treatment \$1.00; trial size 25c.

Judging from a Sample.

A Congressman who thought that one of the great national parties was trying hard to find an issue when there was no issue in sight, rebuked his opponents by telling this story: 'A client of mine has a large family and accordingly is rather pressed for money. He came to me joyfully one day, declaring that he had found oil flowing from a spring on his land, and bringing me a sample. The bottle he had brought me was one which he had picked up in a hurry somewhere about the house. I forwarded it to an expert chemist, and my client and I waited with a good deal of interest for his report of the analysis. In a day or two we got this telegram: "Find no trace of oil. Your friend has struck paraffine."

A Study of Old Age

Reveals the fact that the blood is usually thin and watery, lacking in the strengthening properties of young folks' blood. If you want to fill your blood with the fire of youth, build up your strength, restore your nerves, just use Ferrone. It's the most potent tonic known and will renew the flickering flame of an aged life by imparting nourishment to enfeebled systems, feeds the blood, brain and nerves with new life. Try Ferrone price 50c per box.

Will of a Scotch Reel.

At an auction sale in a Scottish village the auctioneer was trying to sell a number of domestic utensils, including a porridge pot. As usual, he was making a great fuss. Finishing, his keen eye caught a well known worthy, the headle, standing at the back of the crowd, and he shouted out: 'Maister McTavish, make me an offer for this pot! Why, it would make a splendid kirk bell!' 'Aye,' replied the headle, 'if your tongue was in it!'

'Not if it Cost Ten Dollars'

A bottle would I be without Felson's Nerviline, writes J. A. Ruth, a farmer in Trenton, Ont. Nerviline is the best household liniment I know. We use it for stomach troubles, indigestion, headache and summer complaint. I know of nothing better to take in hot water to break up a cold, or to rub on for rheumatism or neuralgia. Every farmer should keep a bottle of Nerviline handy and have smaller doctor bills. Large bottles 25c. at druggists.

The Proper Treatment for a Sprained Ankle

As a rule a man will feel satisfied if he can hobble around on crutches two or three weeks after spraining his ankle and it is usually two or three months before he has fully recovered. This is an unnecessary loss of time, for in many cases in which Chamberlain's Pain Balm has been promptly and freely applied, a complete cure has been effected in less than one week's time, and in some cases within three days. For sale by G. V. Rand.

Magistrate, to prisoner in the dock: 'What is your line?' Prisoner: 'I ain't particular, as the oyster said, when they asked him whether he'd be roasted or fried. Magistrate: 'We don't want to hear what the oyster said. What trade do you follow?' Prisoner: 'Anything' that comes in my way, as the locomotive said when it ran over a man.' Magistrate: 'We care nothing about the locomotive. What is your business?' Prisoner: 'That's various, as the cat said when he stole the chickens.' Magistrate: 'That comes easier to the line I suppose?' Prisoner: 'All together in my line, as the rooster said when chokin' the pig.' Magistrate: 'If I hear any more absurd comparisons, I will give you twelve months.' Prisoner: 'I'm done, then, as the headle said to the cook!'
