LOCAL AND PERSONAL ITEMS

N. L. DeLong will open his ice cream parlor Saturday, April 19, for the first this season. You patronage will be greatly appreciated.

Last week's programs at the local picture house were of the usual sterling calibre. Wednesday evening Richard Barthelmess and Dorothy Gish Co. starred in "Fury" a tale of stirring events among sailing vessels in our hero, was gradually worked out of him during the course of the picture, so much so that the villain received a severe trouncing at his hands. The last reel, Tryone Power did some good work in the blustering hard-nosed captain and Phil Hartigan also in the role of the villainous first mate. On Saturday, lovers of first-rate pictures were stirred by the performance of Jack Hoxie in "Don Quixote." This picture sort of reverted to old "Broncho Billy" days of ten years ago, when pictures of this type had much of thrilling horse-back escapades in their make-up. "Miles of Smiles" with Baby Peggy Montgomery gave many laughs. Read this week's advertising elsewhere in this issue.

The community was shocked on Friday to hear of the sudden death in Woodstock of Haddon S. Burt, a former resident of Centreville. Mr. Burt was born at Jacksonton some sixty years ago, and came to Centreville as a young man and formed a partnership with his brother in the manufacture of leather and leather goods. Closing this out about twenty years ago, he moved to Woodstock and purchased the hotel known as the Turner House which he conducted until four or five years ago when he retired from business, since which time he has been living quietly in Woodstock. He leaves to mourn a wife, formerly Miss Mary West of Centreville, two sons, Ernest and Paul and one sister, Martha. Funeral services were held from his late home on Monday afternoon and were largely attended.

Mr. Gaines of Fredericton is opening up a new barber shop in the McKenzie block. At present the interior is undergoing some necessary renovation.

Miss Dora Lee gave a party to a number of young friends at her home on Friday evening at which dancing was enjoyed.

Miss McLean of Woodstock spent the weekend with her sister, Mrs. Robert Riley.

A. O. Crookshanks of Fredericton, assistant superintendent of the Valley Railway, was here on Wednesday, making arrangements for the inauguration of the electric train service at this terminal of the Centreville-Fredricton line.

Another orchestra was held in the Opera House on Friday evening by the married set.

G. F. Briggs was in St. John last week for medical consultation and advice.

Mr. and Mrs. L. A. White were the guests of Mr. and Mrs. John Davis, Bristol, over the weekend.

H. G. Noble of Woodstock was in town on Friday.

The interior of the Opera House is being given a most thorough and sanitary renovation and smiles resplendently in its 100 per cent cleanliness and whiteness. Very few places of Centreville population can boast of having a show house as pleasant and up-to-date as our own.

Blair Reid has returned from a visit with his brothers at Bangor and Doston.

Mr. and Mrs. E. G. Kenman were entertained by a party of their friends in the Opera House on Friday. Mr. and Mrs. Henman are leaving for the American West soon.

Carleton Lodge F. and A. M. will hold their regular monthly communication on Thursday evening, 17th inst., when two candidates will be raised to the third degree. Carleton Chapter's regular O. E. S. convocation will be held on Tuesday, 22nd, at the Masonic Hall.

Special Easter Services in message and song will be given in the U. B. church, Centreville, on April 20, at 11 a.m. and 7.30 p.m. Subject in the morning will be two vital questions, "How the Dead are Raised" and "With What Body Do They Come?" The service in the evening will be one in song, Centreville choir and members of the Tracey Mill choir visiting. All are cordially invited. Service at Lakeville at 3 p.m. No service at Good Corner.

Mrs. C. R. Chiff has spent the last two weeks with her son, D. F. Chiff, at Mars Hill, Maine.

GREEN TEA POPULAR AGAIN

Many people give up drinking Green tea because of the difficulty of buying a uniform quality tea. Green Teas began to come here from Ceylon. The Ceylon leaf is prepared in such a clean manner and the flavor is so delicious that it has quickly gained popularity, especially that packed by "SALADA" in its bright aluminum packet which preserves the original flavor so well.

Lakeville Leaflets

Our local sports, E. M. Morse, Handford Tracy, Marshall Tracy, H. M. Gee, Thos. Colridge and Jonathan Jones, went to Woodstock on March 27 to attend a meeting of the sports of this and the adjacent County of York, for the purpose of forming a Sportsmen's Association, the purpose of the organization being to assist in the protection of forest, fish and game (a very long step in the right direction). A very pleasing entertainment was put on in the hall, March 27, by the young people of the village, under the skillful management of Mrs. Thos. Colridge, in aid of the Junior Red Cross. The proceeds amounted to \$45.

Miss Dorothy Stanford of the Provincial Normal School came up on Thursday to attend the funeral of the late Miss Louisa King.

Archibald Barker of J. Clark & Son, Hartland, has bought the old home-stand here, and is going to start business in auto work. Arch is a hustler and we wish him every success.

We are glad to see Mrs. G. R. Smith up again, also to note the improvement in the health of Miss Lulu Carvell.

SEWING CIRCLE GOSSIP

There was some discussion at the Sewing Circle this week about the prospect of a general election in Canada this year. The wife of the radio operator, who is in close touch with world events every evening, expressed the view that the idea of an election

within two years was preposterous. She said she thought that the present Members of Parliament had no more intention of taking a chance on being defeated than she had of taking a chance on changing from LUX OR ORIENTAL COFFEE to some other brand. Both Mrs. P. and I said she knew that when we have a good thing we ought to stick to it.

DREAD!

Don't be in dread of a daily head ache.

Why?

In seven out of ten headaches the cause is eye strain. Some authorities say nine out of ten!

Often with vision apparently normal, eyes may still greatly need the help of lenses.

The remedy is clear: An eye examination and properly fitted glasses, if needed.
