

SUFFERED TORTURES FOR 70 YEARS

Wife of a Prominent Physician Tells
How She Was Cured.

Mrs. J. R. Flock is the widow of one of the best known physicians in London, Ontario. She was treated by her husband and many other medical men yet never received any lasting benefit. Just by accident, she tried a well-known remedy, and now, after 70 years of suffering, she is well. Read her letter to Fruit-A-tives Limited.

"Dear Sirs,—Since my early childhood (and I am now in my seventy-third year) I have suffered indescribable torment from stomach trouble and indigestion, complicated with liver disorders. Being the wife of a prominent physician (the late Dr. J. R. Flock), I naturally enough, had a prejudice against proprietary remedies. I was, however, unable to benefit to any great extent through my lifetime, from taking the ordinary remedies of physicians, being constantly in delicate health from stomach disorder and vomiting. Accidentally I came into possession of a sample of "Fruit-A-tives"—tried them, and found myself wonderfully benefited. I take them now as my only medicine and they are keeping me in the most satisfactory health.

After finding out the wonderful medicinal qualities of "Fruit-A-tives" I have recommended them to many of my friends and acquaintances, who have also had the best results from their use—and the lady friend that I have recently recommended them to, has used them for several years, from which she suffered constantly and was unable to procure any remedy that would relieve her. She is now taking "Fruit-A-tives" and is cured.

I am glad to be able to recommend "Fruit-A-tives" and will be glad if you will use my name in any way that will be the means of bringing your remedy before the public."

Driver Bob Waite Clashes With McCoy at Waterville

Local Driver Claims That He Was Intentionally
Fouled in Both Races—Waite Ran Into the
Fredericton Man Twice—Terrace Queen,
Buchanan and Kalol the Winners at Halifax—
Thomas J. Gets Second Money for George
Boyer at Presque Isle—Frank Fox at Barn-
stable Fair.

(Boston Globe)

Waterville, Me., Sept. 4.—Governor's day at Central Maine park brought out nearly 25,000 persons, and everybody was kept hustling to keep from freezing. The rain of last night soaked the track badly, and the races were delayed two hours this afternoon. There was slippery mud on the stretch and at the first turn, and several horses were not started because of this condition.

In the 224 pace Silk Patchen, a favorite yesterday was again a winner, and an easy winner. In the three-minute class race the veterans, Greedy and Nelson, were up behind Miss Colombo and Andrew J., respectively. E. H. Greeley of Ellsworth has been driving for more than half a century, and C. H. Nelson has almost as long a record.

The racing closed in a series of accidents, which happily resulted in no serious injury to horse or driver. In the final heat of the 224 pace Rattler G went into the wheel of Dorothy P., and went down, throwing Bob Waite under the feet of the field. Rattler got behind the field and ran the mile and into the third half, when he went head over heels. Waite was bruised and lame, when he reported at the stand and the horse is slightly scratched.

McCoy, Dorothy P's driver, said that Waite fouled him purposely. Waite said the accident was unavoidable. Dorothy P was given a second place at the close of the heat and Rattler was allowed inside the distance flag. In the third heat of the 220 class, Waite, who was up behind The Lover, drove his horse, either by accident or otherwise, into McCoy's sulky. McCoy was up behind Miss Edith. McCoy claims that Waite was deliberately an offender in this case. The Lover went down in a h-up and Waite was thrown out. Both sulkeys were broken but the drivers escaped injury.

THOMAS J. WAS SECOND.
Woodstock Colt by Alfordley Got a Mark of 2.22 1/4.

Presque Isle, Sept. 4.—The races at the Northern Maine fair at Presque Isle Thursday were the best of the season, especially the free-for-all and the 225 pace. There was a good attendance, orderly crowds, successful balloon ascension and hot baseball game between Caribou and Ricker which was won by Caribou, 6 to 1. Rogers and Leighton were the opposite pitchers.

FOX IN THE MONEY
Landed Third With Warren F. and Fourth With Guy F. at Barnstable Fair.

Barnstable, Sept. 3.—Today, the third of the Barnstable county agricultural society's show and fair, was a record-breaker in attendance, and with the receipts of tomorrow will swell the gate receipts to a large figure that never before in the history of the society.

The horse trotting started at one o'clock and the string of 37 was sent out to warm up after the rest yesterday. The track was in fairly good condition, but none of the horses showed up exceptional speed and the drivers seemed satisfied to let them jog along at a fairly good clip. There was but one extra heat trotted and this was a spirited one. The classes that trotted today were the 220, 225 and 230.

Tomorrow the other classes, including the free-for-all, will be run off. The horsemen say that they look for the best time ever made on the track tomorrow.

The stallion in the world, Deconis, owned by H. L. Tink, was shown on the track this afternoon. Considering that the track was flooded in some places over three inches last night all the horsemen were glad that it dried sufficiently to allow them to start today. The summary—

HALIFAX RACES

Buchanan, Kalol and Terrace Queen Winners of the Three Classes.

Halifax, N. S., Sept. 4.—Five heats in the free-for-all, the third a dead heat and the others so closely contested that the crowd was kept alive with excitement watching the struggle from wire to wire between the two fast pacing mares with other good events, furnished a great afternoon's sport for the large crowd that witnessed the races at the exhibition today. To add to the enjoyment the weather was glorious. Terrace Queen again defeated Sissie, but it was not until the end of the fifth heat that the issue was decided. The first heat went to the Queen by a length, the second she had barely a head to the good at the wire. In the third the two mares were so close at the finish that the judges were unable to separate them. The fourth heat was won by Sissie by a length, and the fifth heat went to the Queen.

ST. VITUS DANCE.

A Severe Case Cured by Dr. Williams' Pink Pills.

St. Vitus dance is a disease of the nerves brought on by a morbid condition of the blood. It is a common disease with children and attacks females oftener than males. The only cure lies in the plenty of pure blood, because good food is the life food of the nerves. Dr. Williams' Pink Pills cure even the most severe forms of this trouble, because they enrich the blood supply, thus carrying the necessary food to the nerves. In proof of this we have the statement of Mrs. Alex. Cameron, Summerside, P. E. I., who says: "Some years ago my daughter Lena, then a child of ten years became afflicted with St. Vitus dance. At that time she was attending school and the first indication I had that something was wrong, was that she appeared quite discouraged in her studies. She was naturally a spirited child, not given to tears, but she would cry over what I thought should be easy work for her. The disease progressed so rapidly that in the course of a few weeks she became unable to hold anything in her hands and we were obliged to take her out of school. She became so afflicted that she could not hold a cup to her lips without suddenly losing hold of it. I knew from the first by her symptoms that her ailment was St. Vitus dance, and despaired of seeing her cured, as it was looked on as such a hopeless ailment. She became so bad that she could not hold herself still for the space of ten seconds. Her hands and feet were continually moving and last of all she would control her feathery so that she was losing her natural expression. At this stage I chanced on a paper containing a testimonial in favor of Dr. Williams' Pink Pills, describing the cure of a little girl afflicted as mine was. I hastened to get a couple of boxes of the Pills and by the time she had used them I noticed a decided change for the better and purchased a further supply. By the time she had taken seven boxes she was entirely cured. Although she seemed thoroughly cured I was afraid the disease might return again, but it never did, and she has since enjoyed the best of health. I cannot thank Dr. Williams' Pink Pills enough for what they did for my child and I hope my experience may be of benefit to someone afflicted as my daughter was."

Dr. Williams' Pink Pills are sold by all medicine dealers or may be obtained by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Queen by an equal distance. The two mares paced the first four heats without a skip or a break. In the fifth the little black mare left her feet at the head of the stretch, and although she settled quickly she lost enough to give the Queen the lead. Sissie is steadier than she used to be and Boutiller drove a good race, handling the Halifax favorite with skill and judgment, but she was unable to come home as fast as in previous years, while the Queen, well handled by Raymond, is a very different mare from last year and showed up strong in the final quarters.

Kalol, a Charlottetown horse, won the 220 trot in straight heats, and Buchanan, Halifax, was the winner of the 219 trot and pace in three straight heats.

It's a pity when sick ones drug the stomach or stimulate the heart and kidneys. That is all wrong! A weak stomach means weak stomach nerves always. And this is also true of the heart and kidneys. The weak nerves are instead crying out for help. This explains why Dr. Shoop's Restorative is so promptly helping Stomach, Heart and Kidney ailments. The Restorative reaches out for the actual cause of these ailments—the falling "inside nerves." Anyway test the Restorative 48 hours. It won't cure so soon as that but you will surely know that help is coming. Sold by all dealers.
