ROBERTSON WON BORDEN

And Thirteenth Carried Of Coales Cup at Rockliffe.

High Scores Were Made to D. R. A. Yesterday.

Sir Wilfrid a Guest at the Prestdent's Luncheon.

Rockville Ranges, Aug. 26.-High scoring prevailed again yesterday. There were three possibles in the Borden, as against the same number last year, and in the shoot-off Captain Robertson, of the 13th, Hamilton, captured the Challenge Cup and medallion, the money having been divided. In the afternoon the Coates match for teams of six was shot off at 600 and 800 yards, and the old 13th Regiment and the 78th came out with the same number of points. The 13th, however, came first with the best acore at the long range. With a possible of 100 there were some very fine scores put on. The next match was the Walker, started on Tuesday and finished on Wednesday, this being a two-range divided match. While the scoring was far higher in the aggregate than last year, the two leaders were the same with 69 points in each year. But when it came to the finish the superiority was manifest, when it is considered that last year 25 with scores of 61 got in the prize list, and this year a great number of scores of 63 were counted out.

remarks paid a tribute to the Premier and the interest he had shown in assisting the military authorities.

Sir Wilfrid was, received with cheers, and began by a reference to the fact that, as many knew, he and Colonel Hughes did not always agree. There was one thing, however, in which he could agree with him, and that was that Canadians should be ready to defend their country. In view of this he was always ready and willing to pay attention to military questions that came up in the House of Commons. He referred to the requests made by Colonel Hughes as to the needs of the D. R. A., and while not committing himself one way or the other as to what the present Government is prepared to do to further assist the association in view of the way it is growing and the work it is doing, he intimated that the Govern-

ment would do its duty in the direction referred to. "I am a man of peace," said the Premier. "I do not think we should have war. At the same time, I think that the best way to prevent war is to be prepared for it." (Applause.) From this the Premier went on to refer to the work Col. Hughes, the Executive and the association had been doing, and congratulated them.

The President next called for a toast to Col. John Barlow. He referred to his having taken a great interest in the Candian team that visited Bisley, to his having been honored by the King, and to his great standing as a marksman and an authority on matters pertaining to rifle-shooting, Col. Barlow replied.

col. Hughes also called for a toast to the two Cabinet Ministers present — Hon. Frank Oliver and Hon. R. Lemieux. In doing so he told Mr. Oliver of the team that had come all the way from Sarkatchewan, and at another stage told Sir Wilfrid Laurier that for the first time on record every one of the nine Provinces of the Dominion was represented at the meeting. Both Messrs. Oliver and Lemieux replied very briefly. The latter intimated that he favored teaching rifle-shooting in the public schools, and in this connection he said he was not afraid to say so in his own Province.

he was not alraid to say so in as one Province.

The Premier in his own graceful man-ner proposed a toast to Col. Hughes, "I have not always been able to agree with him," said Sir Wilfrid, "but I will say that I believe no man in his day and generation has done more for the mili-tia of the Dominion of Canada than he

has done." Colonel Hughes replied briefly.

Amusements

With the torrid weather of yesterday, making evening indoor entertainment somewhat trying, it spoke well for the good-wearing qualities of Eugene Walter's "Paid in Full" that it attracted so good-wearing qualities of Eugene Walter's "Paid in Full" that it attracted so large an audience to the Grand Opera House. The company presenting the interesting play is made up of the most noted members of some of last season's companies, and the result was a performance of sterling worth and highly satisfactory. Fritz Williams was the Joseph Brooks, and played the despicable character with much force and naturalness. Benjamin F. Wilson was clever as the lovable Jimsie Smith, bringing out strongly the best points of the part. William Riley Hatch, known here in other years as an operatic favorite, played the need of Capt. Williams, and did it so well the was given frequent and hearty applause. Katherine Florence was Emma Brooks, and she presented the trying part in a manner to meet the audience's warmest approval. Her best work was done in the closing scene. The players were given several curtain calls, the settings and appointments were complete to the smallest detail, and the whole performance was thoroughly enjoyable.

"BURGOMASTER" TO NIGHT

"BURGOMASTER" TO NIGHT.

The popular old Burgomaster will be seen at the Grand to might and to-morrow evening. This delightful musical comedy has always met with a good reception in Hamilton, for its music contains some of the most catchy airs heard in musical comedy. The piece is said to be brought up to date by the introduction of several new songs and unique stage effects. The chorus girls, remarkable as it may seem, can sing, and at the same time are good looking, and know how to wear their clothes. Besides the song hits, "The Tale of the Kangaroo" and "We Are Civilized," there are "Good-bye, New Amsterdam," "Keep Cool," "I Wish I Had a Girl," "Cupid Dees Not Marry," "Heintz 1s Pickled Again," and "The Hypnotist." The company is quite a large one, numbering upwards of fifty people.

ANNUAL LUNCHEON.

Graced by the presence of Sir Wilfrid Laurier and two other members of the Dominion Cabinet and by many military men, the annual luncheon given by Col. Hughes, President of the D. R. A., was held yesterday afternoon. Col. Hughes presided. To his right were the Premeir, Hon. R. Lemieux, Postmaster-General, and Col. John Barlow, of the National Rifle Association, England, and to the left Hon. Frank Oliver, Minister of the Interior, and others.

A delightful musicale was given in the spacious music room of Elgin House on Tuesday evening, Aug. 24, when the following artists assisted: Mrs. (Dr.) E. B. Rhodes, Cleveland; Miss Lillie Shannon, Toronto; Mr. F. W. Wodell, Boston, and Mr. Gustav Clemens, Cincinnati. Mrs. II. W. Woodward, Cleveland, and Mr. Thorpe, Cincinnati, were the accompanists. Mr. W. J. Waugh, Hamilton, was chairman. The guests were loud in their praise of each number, and a vote of thanks was moved by Rev. Dr. Tovell, Hamilton, seconded by Mr. J. G. Cooper, Cincinnati, after which "God Save the King" and "America" were sung by all present.

CRAZED NEGRO SHOOTS 29.

THREE WILL DIE AND ANOTHER WILL LOSE AN ARM

Cocaine Fiend Uses Shotgun With Terrific Accuracy in Street-Body Burned in Public by Mob

New Orleans, Aug. 25 .- At Monroe La., yesterday morning a negro named

La., yesterday morning a negro named William S. Wade, supposed to be from Pine Bluff, Ark., apparently while crazed with cocaine ran amuck on Grand and De Siard streets, the principal thorough-fares of the town, shooting indiscriminately to the right and left at every man whom he sighted.

He fatally wounded three men and twenty-six others less seriously.

The details say that the negro is supposed to have arrived at Monroe on Tuesday night. Early yesterday morning he went into a hardware store and bought a two barrel breechloading shot-gun. He apparently had a pocketful of small shells to fit the gun. He walked to Grand and De Siard streets, the business centre of the city, and then without a word and apparently without the a word and apparently without the slightest reason got the gun into position and opened fire on every one who came in sight. Police Officer Hugh Bigger, who was stationed near by, attempted to take the gun from the negro, but was shot through the bowels. He will die.

Deputy Sheriff T. A. Grant, who went to the assistance of the policeman, was shot in the breast and neck fatally. Simon Marks, who joined in the attempt to arrest the negro, was fatally shot in the breast

to arrest the negro, was fatally shot in the breast.
By this time a number of persons hearing the shooting had run from their offices and stores. The negro fired at every one who came in sight. A number of citizens opened fire on him, but as he had a shotgun and they pistols he had a great advantage. Moreover, standing at the entrance of a hallway, he would fire both barrels, step back out of range, reload his gun and fire again.

The battle was kept up for half an hour, during which time Wade had fired more than twenty shots. Besides Offi-

The battle was kept up for half an hour, during which time Wade had fired more than twenty shots. Besides Officer Bigger, Deputy Sheriff Grant and Simon Marks, all fatally wounded, Geo. McCormack was shot in the arm and will lose it. Judge A. A. Gunby, formerly District Judge and a candidate for Congress; A. A. Forsythe, Mayor of Monroe; B. G. Trousdale, an editor; L. A. Breard, of the police jury, Ouachita Parish; Edward Strong, R. R. Ross, Isaac L. Haas, Stephen Burke, Joseph Thompson, Fred McGrath, I. W. Merryman, C. E. Bynum, jun, Albert Marx, I. L. Kendall, Adolph Baer, David Ensell, E. P. Davis, Manuel Ambrowitz, E. B. Edwards, Roy Fisher, Mike Brown and three negroes were wounded.

The negro was finally brought down by a well directed shot through the heart. Some men tied a rope around Wade's neck and hung him to a telegraph pole so that the crowd which had assembled might see him. The body was then taken down, conveyed to the old City Hall lot next to the post office and publicly burned in spite of the protests of Mayor Forsythe, himself wounded in the affray, to prevent it.

No explanation is offered of the act of the negro except that he was crazed with cocaine; but that seems impossible because he acted with such method and

the negro except that he was crazed with cocaine; but that seems impossible because he acted with such method and

because he acted with such method and aimed so well. Much excitement resulted, but no one thinks that it will produce any further trouble, as the shooting is regarded by all as the act of a crazy man, a strange negro who had no relations with Monroe.

The first shot fired by Wade was at I. I. Jordan, cashier of the Bank of Monroe, while he was opening the bank. It missed Jordan, but struck George McCormick, of the Ouachita Lumber Company, standing near by, practically shooting off his arm. This has given rise to the theory that Wade's purpose was to rob the bank, but this seems improbable. Another explanation is desire for revenge for the killing of a friend of bis, a negro who was shot by a police-

his, a negro who was shot by a police-man at the Iron Mountain Railroad de-pot in Monroe on Saturday night. That so many were wounded but not killed is explained by the discovery that Wade's shells were loaded with large bird shot. He aimed true, and had his sho been large he would have killed a dozer or more. To night there is talk of dis or more. To-night there is talk of dis-arming all negroes and of arresting two negroes who are supposed to have been friendly with Wade and suspected of be-ing in some way implicated with him in this affair, but the sheriff and Mayor seem to be in control and in a position to preserve order. As a general thing, however, white men are going about armed to-night.

GO TO JAIL.

London "Martyrs to Cause" Persist in "Hunger Strike."

Liverpool, Aug. 25 .- Seven emaciated suffragettes appeared before one of the local magistrates to-day to answer to the charge of disturbing a meeting last Tuesday, presided over by War Secre-tary Haldane. Since their imprisonment a week ago, the suffragettes had fol-lowed the usual custom of declaring a hunger-strike.

lowed the usual custom of declaring a hunger-strike.

One of the women was so weak that she fainted while being taken to court. When arraigned the magistrate expressed his sorrow at the self-inflicted punishment of the women and pleaded with them to partake of food at once, promising to adjourn court if they would do so. One of the women, as spokesman, refused the offer, declaring that they were "victims of man-made despotism,"

The women offered no defense to the charges against them and were sense tenced to prison terms of from one to two months. It is probable, however, that the sentences will be suspended and the women released to prevent them from starving to death.

Desirable Settlers Pouring in From the United States.

Ottawa, Ont., Aug. 25-W. J. White, superintendent of Canadian immigration encies in the United States, returned Ottawa this morning from a long trip

"Decidedly yes. I believe these immigrants will soon be numbered by the hundred thousand. There are to-day 200 firms in Minneapolis dealing in Canadian lands. Last year there were 50. We are exhibiting at all the State fairs in the Western States, and this year's harvest should be a big advertisement."

THOUSANDS OF PRISONERS.

Spanish Authorities Inaugurate a Reign of Terror.

Lisbon, Aug. 25.—A despatch to the Mundo from Barcelona says that at the Mundo from Barcelona says that at the last meeting the Spanish Cabinet decided upon the most stringent measures against all those suspected of taking part in the recent revolutionary movement. An enormous number of arrests have been made during the last few days. Whole families, men and women and even young children, have been torn from their homes.

Civil guards, with fixed bayone's, went to the residence of Senor Dias, as wealthy merchant, and dragged him and his wife and two children, aged 7 and 9 years, from their beds at 2 a. m. A rich banker, his wife and daughter were treated in a similar way.

The prisoners at Barcelona alone number 5,000. Seventeen hundred are confined at Montaro, and 1,000 at Munresa.
