The date Term of the Supreme Court for Prince County commenced on Tuesday last. There was but little business before the Court, and the Term closed on Wednesday night. — 1st.

Brig "Kurea," from New York, has been wrecked off the southern coast of Beane. The captain, crew, a passenger named Wm. Giddings, and a part of the cargo were saved. The "Kurea" was 150 tons new measurement, rated A1, and was built in 1862 in P. E. Island, whence she hailed.

We observe by the Halifax Witness that Rev. George Suberth left that city on Wednesday, the 4th inst., by the Panama route, for New Zealand and Australia. It seems, therefore, that he purposes to labor in those Southern Colonies; and that we were slightly in error, when we mentioned his name in connection with the missionary field. — 1st.

The Steamer "Princess of Wales" left Pictou for Port Hood and Plaster Cove, yesterday noon, being her first trip on this route. For particulars, see Advertisement. — 1st.

The Steamer "Heather Belle" made her first trip to Pictou, Murray Harbour, Georgetown, and Souris, on Saturday, the 8th inst. She will continue this route for the remainder of the season. The inhabitants of the Eastern side of the island can have home on Monday morning, and arrive in Halifax the same evening. — 1st.

THE MYSTERY OF TEIGNMOUTH.—To the Editor:—Sir, We, the undersigned, Owner and Master of the late brigantine "Mystery," of Teignmouth, beg, through the medium of the Shipping and Mercantile Gazette, to tender our warmest thanks to Capt. Hull, of the brigantine "Jane," of Prince Edward Island, who so promptly answered our signal of distress, and immediately bore down on us on the morning of the 19th ult., our own boats having been carried away by a tremendous sea on the 14th, which also took everything movable from our decks, causing our vessel to leak very badly. Capt. Hull immediately launched his own boat, sending his Chief Mate, Mr. Thomas Boryer, in charge, who, although there was a heavy sea running at the time, managed the boat admirably. He, together with his boat's crew, risking their own lives, at length succeeded in rescuing us from our perilous position, to whom we shall ever feel indebted. We have also to thank Capt. Hull, and Wm. Bell, Esq., owner of the brig "Jane," for their extreme kindness and attention to the wants of ourselves and survivors of our crew, who were frost-bitten and otherwise disabled, but received every care during our stay on board their ship.

We remain, Sir, Yours, &c., W. T. BODE, Owner. JOHN GOLDSWORTHY, Master. — London Shipping and Mercantile Gazette.

MEDICAL NOTICES. HOLLOWAY'S PILLS.—Stomach, Liver and Bowels.—There is nothing hurtful in the composition of these purgative Pills, nothing that can injure the most delicate constitution. They improve the appetite, quicken the energies of the stomach and liver, and regulate the bowels. They remove the source of the various ailments which attend the system, and the most infirm and delicate of constitutions are benefited by their use. They are natural, and therefore efficient, purifiers and correctives. Few unhealthy conditions of the stomach or digestive apparatus can withstand the accumulative healthy influence over the whole frame when these Pills are judiciously and persistently taken by invalids. DYSPEPSIA OR INDIGESTION.—There is no article which so richly deserves the entire confidence of the community as "Holloway's Pills." The Troubles have relieved distressing commotions from the most celebrated Clergymen, Lawyers, and Public Speakers, who speak from personal experience. Those suffering from Asthmatic and Breathing Diseases, Coughs and Colds, should try the Pills. Objections have been brought against the efficacy of the Pills of being brought safely through the critical period of teething by the sole use of Mrs. Winslow's Soothing Syrup. We advise all parents to procure it.—(Miscellaneous.) It corrects acidity of the stomach, relieves wind colic, regulates the bowels, and by giving rest and health to the child, comforts the mother.

Much sickness unduly with children and adults, attributed to other causes, is occasioned by worms. The Vermifuge Compound, although efficient in destroying worms, can do no possible injury to the most delicate child. The valuable combination has been successfully used by physicians, and found to be safe and sure in eradicating worms, so hurtful to children. Children having worms require immediate attention, as neglect of the trouble often causes prolonged sickness. Symptoms of worms in children are often overlooked, worms in the stomach and bowels cause irritation, which can be removed only by the use of a sure remedy. Brown's Vermifuge Compound, or Worm Louse, are simple and effectual. June 10th, 1867. Wm Perry Davis' Pain Killer. It is a real pleasure to us to speak favorably of this article, because almost universally to be a good and safe remedy for burns and other pains of the body. It is valuable not only for colds in the winter, but for various summer ailments, and should be in every family. The remedy which demands it may cause uneasiness.—(Christian Advocate.) PAIN KILLER, when internally, should be administered with milk or water, and sweetened with sugar if desired, or made into a syrup with molasses. For a Cough and Bronchitis, a few drops on sugar, often, will be more effective than anything else. For Sore Throat, apply the remedy with a mixture of Pain Killer and water, and the relief is immediate and sure positive. —T. O. WEN, F. M. G. General Post Office, Charlottetown, May 29, 1867.

Cleanse the Blood. WITH corrupt, or tainted blood, you are sick all over. It may burst out in Pimples, or Sores, or some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYER'S Sarsaparilla purges out these impurities, it expels disease and restores health and stimulates the organs of life into vigorous action. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Itchings, Itch, St. Andrew's Fire, Rose or Erysipelas, Itch or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention Irregularity, Suppression, Whites, Stricture, also Syphilis or Venereal Diseases, Liver Complaints, and Heart Disease. Try AYER'S Sarsaparilla, and see for yourself the surprising efficacy with which it cleanses the blood and cures these disorders. During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little or no Sarsaparilla, but often no curative ingredient whatever. Hence bitter disappointment has followed the use of imitations in advanced stages of disease, that it is useless here to recount the evidence of its virtue. The world knows them. Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists and dealers in medicinal everywhere. W. E. WATSON. General Agent for P. E. Island. May 15-20
