4. The Westminster Review (Liberal.)

5. Blackwood's Edinburgh Magazine (Tory.)

The present critical state of European affaire will render these publications aussaulty interesting during the year 1854. They will occupy a middle ground between the hastily written news items, crude speculations, and flying ramoure of the fatter historian, written after the living interest and excitement of the great political events of the time shall have pused away. It is to these Periodicals that readers must look for the only reliable history of current events, and as such, in addition to their well-established literary, ecicueffic, and theological character, we argo them upon the consideration of the reading public.

Arrangements are in progress for the receipt of early sheets from the British Publishers, by which we shall be able to place all our Re-prints in the hands of subscribers, shout as soon as they can be furnished with the foreign copies. Although this will involve a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates as here-tofore, viz:—

THREE GREAT REMEDIES.

The attention of the public is particularly directed to the three quick and powerful remedies discovered by Radway & Co. So quick, so powerful, so effectual, so safe, so pleasant, are these remedies in stopping pain, checking disease, expelling from the human body all foul and corrupt humorrs, all diseased and poisonous deposits, and restoring the weak, feeble, and fragile frame, worn out by disease and long suffering, to sound health and long life, that whoever uses these remedies, and becomes familiar with the R. R. R. Theory, will never need a physician, unless it is in some critical surgical case. The R. R. Remedies will never fail—they prove themselves in the worst cases in less than twenty-four hours.

BENJAMIN CHAPPELL

HAS the following, among other things, for sale, which he will dispose of on reasonable terms:—
Rubber Boots and Shoes; Leather Boots, Shoes and Brograns; Oil Cloth Suits, Glazed Hats, Sou's westers, Striped and Unbloquebed Cotton; Cotton Warp, Time Pieces, Brooms, Buckets, Indigo and other dye stuffs; Crackers, Ta.A., SUGAR, MOLAGES, Soup, Candles, Rico', Chocolate, Blee, Starch, Tebecco, Spices, Table Salt, Shovels, Hay and Manure Forts.

150 Bashels LIVERPOOL SALT.
200,000 Shingles, 15,000 feet Fine Boards, 6000 feet Refuse Deals, 6000 feet Studding, 3000 feet Scantling, 50 Cords Firewood.

Also,
100 acres of Land, being No. 55 [Fifty-five], situate on the Road leading from Frederick Cove to Barlow's Mills, on Lot or Township Number Eleven, in Prince County.
Charlottetetown, Oct. 3.

R. R. Remedies will never fail—they prove themselves in the worst cases in less than tweaty-four hours.

They invigorate, they renovate, they regulate, they relieve the suffering, pain-stricken invalid from the most torturing pains in a few minster.

They restore the sick and diseased body to health and longevity.

To the low spirited and nervous they impart joy-fulness, vigor, and a happy flow of spirits.

To the aged and infirm, whose constitutions are worreast by decreptude and limbs palsied and enfeabled, they impart the elasticity and buoyancy of manhood in its prime.

To the young, who, between the period of youth and manhood, outgrow their natural strength, who are afflicted with languer, lassitude, loss of appetite, gloomy feelings, &c., they impart to the recuperative organs a healthy regularity of action.

To the thoughtless seeker and victim of animal passions, who has wested away his strength in folly and revelry, they cheek the wate of manhood, and restore every organ to a sound and natural condition.

To all who suffer pain, to all affisited with disease, the R. R. R. REMEDIES will quickly and effectually free the sufferer from misery, and render the most wretched capable of enjoying sound health and long life.

since cure for Cholera, if taken in its first symptoma. If used when violent epidemics prevail, it will cave ife.

R. R. R. R.—No. 2 — RADWAY'S RENOVATING RESOLVENT.—We have said that for all chronic complaints, we recommend our RESOLVENT. The RESOLVENT resolves away all diseased deposite that have been lingering in the system for TEN, TWENTY, or FORTY YEARS.

Every person who has been troubled with any complaint for years, will require the RESOLVENT to ensure a perfect cure. The action of the RESOLVENT to ensure a perfect cure. The action of the RESOLVENT to dispersion by its alterative action over the glands the liver, puncreas, kidneys, &c., (which are the sewers that nature has catablished for purifying the blood). You will, after this description, we hope, appreciate the name we have given to the second of the R. R. R. REMEDIES OF RENOVATING RESOLVENT. It receives away diseased deposits; it purifies the blood, and recovates the evistem. Tumora are removed and discussed by its operation; Chronic Swellings are dissipated; Nodes are softened and metted away. The most louthsome Skin diseases disappear under its action; Scrofulous constitutions are seen amended, and the disease checked wherever

it has attacked the system. Syphilis, with all its herefule train of concomitants, here find a certain and infallible care; and Communication, too, often finds its master. For Chronic Dyspepsis, RADWAY'S RENOVATING RESOLVENT is notonly an effectual, but quick cure.

BRONGHITES.—We know of so remedy, nor of any treatment that will so quickly she defectably care Broachitis as the RESOLVENT. It is in all old Chronic cases where RADWAY'S RENOVATING RESOLVENT will be most appreciated.

Be Procreative Power.—Married persons, who are not blessed with offspring, if the difficulty arises from imperfect organs and incompetency, will find the R. R. Resolvent of great benefit.

DYSPEPSIA, WAYER BRARE.—This distressing disorder is generally the resurt of a low grade of Chronic inflammation of the Stomach. The patient, who generally feels well enough when the stomach is empty, is afflicted with the most distressing symptoms on taking food. Water Brash executations, with barning sometion, heart bare, pain at pit of stomach. Sc. This disease is generally accompanied with contive bowels.

Re. This disease is generally accompanied with contive bowels.

TREATMENT.—Resolvent three times per day after meals, dessert spoonful. One Regulator on going to bed at night, to kedp the bowels open and regular. When the Heart Burn is very distressing, a dose of the Relief taken in water will promptly relieve it. The public may rely agon an effectual cure of the following diseases by using the Renovating Resolvent:—Chronic Rheumatism, Straftla, Straft

R. R. R.—No. 3.—RADWAY S REGULATORS.—THE THIRD GREAT MEDICAL DISCOVERY OF RADWAY & CO.—One Regulator is, sufficient to regulate the Bowels, Liver, and Pancreas to a healthy and harmonious discharge of their functions.

Four to six will purge thoroughly sill corrupt and acrimonious humors from the alimentary canal.

IMPORTANT TO PILL TAEERS.—Every one who is in the habit of taking pills will find RAD-WAY'S REGULATORS the most pleasant, safe, effectsal regulator of the Bowels, Liver, Pancreas, and the most CERTAIN PURIFIER OF THE BLOOD in use.

One of RADWAY'S REGULATORS is superior, in point of medical strength and efficacy, to six of the most popular and best approved Cathartic Pills.

All Pargative or Cathartic Pills are made from the crude materials of their compositions: the inert and active principles are combined together, and the pills are made up of this common mass, so that out of six pills the patient has to swallow, all the really and truly medical virtues of the same would not make more than two pills. Every chemist well knows that out of the crude materials of drugs, roots, herbs, barks, plants, &c., there is only a yield of one tenth of medical virtue. We seriously believe that more deaths are caused by overloading the system with useless physic than from disease. No more medicine doubt be given to a patient than what is necessary to produce the desired effect, and to overload the system with useless physic than from disease. No more medicine—there is as much difference, in point of strength and efficacy, between Radway's Regulators and all other Cathartic Pills, as there is between quinine and common bark, or morphine and optims.

RADWAY'S REGULATORS, therefore, are the best pills for the sick to take, one being sufficient in all ordinary difficulties, and two possessing a lost of the part of the par

other Cathartic Pills, as there is between quinine and common bark, or morphine and opimm.

To the low spirited and nervous they impart joy-fulness, vigor, and a happy flow of spirits.

To the aged and infirm, whose constitutions are worr out by decrepitude and limbs palsied and enfeabled, they impart the elasticity and buoyancy of manhood in its prime.

To the young, who, between the period of youth and manhood, outgrow their natural strength, who are afflicted with languor, lassitude, lose of appetite, organs a hearthy regularity of action.

To the thoughtless seeker and victim of animal passions, who has wasted away his strength in folly and revery, they check the waste of manhood, and restore every organ to a sound and natural condition.

To all who suffer pain, to all afficied with disease, the R. R. R. REMEDIES.

The R. R. R. Theory requires only three remedies for the care of the stek, and the grotection of the hefman system against sudden attacks of violent diseases.
