LONDON, Jan. 3.
The Governor, Newfoundland,
From the Persia about 200 lives
were lost. The American Consul at
Aden is among the missing. The
Glen Line steamer Glenlyon was also
sunk; about ten lives were lost.

Headquarters in France report that
a small party seized a position on the
German front line at Armentieres, in-
flicted several casualties and with-
drew. There is mining activity on
both sides. Artillery activity at Har-
mannesweilerkopf, as a result of which
the French withdrew on a front of
one furlong.

Pierce fighting continued south of
Priepet on the Styra, where the Rus-
sians crossed to the left bank and
captured Khurdsand on the Styra.
Near Chortorisk the enemy were re-
pulsed with heavy loss; seventy pris-
oners were captured. Near Czernew-
itz the Russians have occupied sever-
al heights, capturing about nine hun-
dred prisoners and three machine guns.

BONAR LAW.

MARTIAL LAW.

LONDON, Jan. 3.
An Athens newspaper states that
martial law will be declared on Jan.
15th and the Chamber of Deputies
has been summoned to meet on the
17th, to ratify the proclamation
thereof, according to a despatch re-
ceived here.

FRENCH VICE-CONSUL ARRESTED

BERLIN, by wireless to
Sayville, Jan. 3.
The Bulgarian Government has ar-
rested the French Vice-Consul at So-
fia, in retaliation for the arrest of the
Bulgarian Consul at Salonika, ac-
cording to the Overseas News Agen-
cy, which adds that the Vice Consul
had remained at Sofia with the per-
mission of the Bulgarian Government
in order to assist the Dutch Minister
charged with the care of French in-
terests.

GERMAN CAVALRY NORTH OF GREEK FRONTIER.

PARIS, Jan. 3.
A report that German cavalry has
been seen just north of the Greek
frontier is forwarded in a despatch
to the Havas Agency, filed yesterday
at Athens. The Serbian Minister to
Greece has left Athens for Salonika
to confer with King Peter.

SAILED FROM SALONIKA.

LONDON, Jan. 3.
A message from Athens to Res-
tore Telegram Company says, the
French battleship Patrie, has sailed
from Salonika, having on board the
German, Austrian, Turkish and Bul-
garian Consuls at Salonika, who were
arrested last week by order of Gen-
eral Sarraill, the French Commander.
The protest made by Greece to the
Entente Powers against the arrest of
the Consuls dwells on the fact that
even the Greek Government was not
advised in advance of the decision to
take such a drastic step. At a Cab-
inet Council in Athens, on Friday,
Premier Skoufalis laid before him
colleagues the protest made collec-
tively by the Austrian, German, Tur-
kish and Bulgarian Ministers, against

the arrest of the Consuls. The Cab-
inet discussed at length recent events
at Salonika, and the correspondent
says it is apparent, the situation has
become a delicate one which is seri-
ously occupying the attention of the
Greek Government. There is much
uneasiness as to the next move by the
Central Powers. The Athens news-
papers publish articles, presumably
inspired, which take the Entente
Powers severely to task.

THE ENEMY REPULSED.

PARIS, Jan. 3.
A Montenegrin official statement
received here to-day, says: The en-
emy on January 1st attacked our posi-
tions at Goludivo, and after a day's
fight was repulsed with loss. There
have been artillery and infantry com-
bats on other fronts.

RELATIONS MAY BE SERIOUSLY AFFECTED.

BERLIN, Jan. 3.
General opinion in Bulgaria, says
the Overseas News Agency to-day, is
that relations between the Entente
Powers and Greece will be seriously
affected by the reported disclosures
of letters found on Colonel Napier,
former British military attaché at
Sofia, when he was taken from a
Greek steamer by an Austrian sub-
marine last month. Contemptuous
remarks concerning Greece, and re-
velations regarding Serbian military
preparations against Bulgaria before
Bulgarian mobilization, said to have
been contained in the letters, have
made a deep impression on Bulgari-
ans. The subject was one discussed
by the members of all parties in the
lobbies of Parliament at Sofia.

RUSSIANS GAIN GROUND.

LONDON, Jan. 3.
It was the Austrians, not the Rus-
sians, who began the big offensive in
Volhynia and Galicia, according to
Mail's Petrograd correspondent. The
attempts failed and the Russians
gathered ground. General Blenders ef-
forts to take Tarnopol, and break
through in the direction of Koons,
were fruitless. Field Marshal Von
Mackensen is at Czernowitz, for
purpose of threatening Roumania,
and for an active offensive against
the Russian advance in Galicia.

THE KAISER'S ILLNESS.

PARIS, Jan. 3.
Press despatches from Switzerland
and Italy, continue to affirm that the
illness of Emperor William is seri-
ous. It is stated that he was operat-
ing on last Wednesday successfully,
but the nature of the operation is not
specified. It is stated that the Em-
peror is suffering from a deep-seated
affection of which the Cutaneous
Eruption is but an incidental sym-
ptom, and that the malady is compli-
cated by the re-appearance of his old
throat trouble, which has extended to
the mouth. It is even asserted that
it would be necessary to provide him
with an artificial palate made of sil-
ver.

GERMANS RELEASED.

WASHINGTON, Jan. 3.
The State Department was offici-
ally advised to-day by the French Gov-
ernment, in response to representa-
tions made by the United States, that
it had ordered the immediate release
of Germans recently removed from
American ships on the high seas by
the French cruiser DesCartes.

BRITISH STEAMER SUNK.

LONDON, Jan. 3.
The British steamship Glenlyon has
been sunk. There are about one hun-
dred survivors.

SUNK BY GERMAN SUBMARINE.

TOKIO, Jan. 3.
The owner of the Japanese freight-
er Kenoku Maru has been advised
that the vessel was sunk by a German
submarine in the Mediterranean on
Dec. 28. The members of the crew
were landed at Cannes, France. The
Kenoku Maru was under charter by
a foreigner, was loaded with hemp at
Manila, and sailed for Italy and Eng-
land on Nov. 6. The Maru was a
steamer of 2,109 tons.

ANOTHER BRITISH STEAMER SUNK.

LONDON, Jan. 3.
The British steamer St. Oswald has
been sunk. The St. Oswald was in
the service of the British Government
and presumably was sunk in the
Mediterranean. Her movements had
not been reported since Oct. 18th, on
which date she arrived at Mudros Is-
land from Alexandria. The St. Os-
wald was 361 feet long, of 3,510 tons
gross. She was built in 1890 and
owned by the British and Foreign
Steamship Company, of Liverpool.

GRANTED PERMISSION.

COPENHAGEN, via London,
January 3.
The German Government has
granted the Ford peace expedition
permission to travel to the Hague
through Germany by special train.

The party will leave Copenhagen
next Friday.

THE UNITED STATES.

WASHINGTON, Jan. 3.
The possibility of a combined at-
tack by two foreign powers to break
down the new Pan-American doctrine
evolved from the maintenance by the
United States, and the acceptance by
the South and Central American Re-
publics of the Monroe Doctrine, is
one of the fundamental bases for the
national defence plans formulated by
the Army and Navy strategists. They
believe it essential in the formation
of the national military policy. It
was learned to-night, to provide
against the possibility of an assault
upon the Doctrine by either an Asi-
atic or European Power, or even by
the alliance of two such powers which
might hurl forces simultaneously on
the Atlantic and Pacific coasts. A
navy equal in strength to those of
any two world powers, except Brit-
ain, and an army prepared to fight
for the integrity of the pan-American
idea anywhere in pan-America, is the
ultimate aim of the plans of military
experts. Ten years is the time the
Navy General Board believes the United
States has in which to prepare
for a re-adjustment of the world's
forces, which will follow the European
war. In setting 1925 as the time
when the U. S. Navy should equal any
aforesaid, which means reaching the two-
power standard of the British Navy,
the board estimated as much time as
would elapse before the stock of the
support of the Monroe Doctrine, so
that the United States may be able to
act alone, if necessary, to preserve
its ideal of no antagonizing alliances.

Our Submarine

In the Baltic.

Lieutenant-Commander F. N. A.
Cromie, in command of a submarine,
has been decorated by the Czar with
the Cross of St. George, the Russian
V.C. for his brilliant work in the Bal-
tic. Lieutenant Cromie is a son of
Mrs. Cromie, Haverfordwest, Pem-
brokeshire, and has been twelve years
with the submarines.
Lieutenant Cromie received the
Cross of St. Vladimir with swords.
Since then his ship has been respon-
sible for the sinking of the German
cruiser Undine and some ten merchant
ships have been destroyed or driven
ashore.
The fine spirits of our submarine
crews are shown by the following
amusing letter from the officer to his
mother:—
"The Czar came to inspect the sub-
marines. I had a very pleasant sur-
prise in being decorated by him with
the St. George's Cross—the Russian
V.C. and the best war Order they
have."

WILL REACH NEW YORK TO-DAY.

NEW YORK, Jan. 3.
A radio message was received here
to-day, stating that the Greek Lin-
ing steamer Thessalonika in tow of the
Patria of the same Line, would reach
this port about noon to-morrow.

Try "Cascarets" for Liver and Bowels If Sick or Bilious

Tonight! Clean your bowels and stop
headache, colds, sour
stomach.

Get a 10-cent box now.

Turn the rascals out—the headache,
biliousness, indigestion, the sick, sour
stomach and bad colds—turn them out
to-night and keep them out with Cas-
carets.

Millions of men and women take a
Cascaret now and then and never
know the misery caused by a lazy liv-
er, clogged bowels, or an upset stom-
ach.

Don't put in another day of dis-
tress. Let Cascarets clean your
stomach; remove the sour, fermenting
food; take the excess bile from your
liver and carry out all the consti-
pated waste matter and poison in the
bowels. Then you will feel great.

A Cascaret to-night straightens you
out by morning. They work while
you sleep. A 10-cent box from any
drug store means a clear head, sweet
stomach and clean healthy liver and
bowel action for months. Children
love Cascarets because they never
gripe or sicken.

SICKNESS.

If we were never
stretched in
bed, with sickness
of some standard
brand, with influ-
enza in the head
and boils a a
bunions in each
hand, I fear we'd
never realize how
good and kind the
people are; for to
the house where
the village trots, with jug and jar,
I've been an invalid this fall; all
known diseases climbed my frame,
and others climbed the garden wall,
and waited to get in the game. And
people came from here and there, to
see if they could help me out, to try
to lighten my despair, and place large
plasters on my goul. They sawed the
wood, they milked the cow, they fed
the hens and wound the clock, they
packed in water for the frau, and
shied at any thankful talk. They sat
all night beside my bed, until the
morning hours were struck, and held
me down when, seeing red, I only
longed to run amuck. They brought
me chicken soup and pie, and all the
things the sick require, and kindness
beamed in every eye—the kindness
that no wealth can hire. When I re-
covered from the gout, the mumps,
hay fever and catarrh, I said, "It
beatheth all get out, what thorough-
breeds the neighbors are!"
