HAIR DRESSING.

Hair dressing is a form of social relaxation indulged in at stated intervals by fortunate women who do not have to mingle with the dinner dishes or figure out the specifications of a corn starch pudding. It is confined largely to the city, where husbands draw swollen salaries for laboring from nine to three in the presence of a pretty stenographer and an electric fan.

There is very little recherche hair dressing done in the country aside from the home-made brand, which Where once the Germans laughed.

It Ellminates Hard Work.

Use a gas range and you will live better, you will play better, and you will work better because the use of the gas range ellminates the drudgery of cleaning up a lot of dirt, and, best of all, for the cook it makes it unnecessary for her to stand over a hot stove from two to three hours a day.

Allow him to be himself in the studio, and even to get acquainted with the surroundings and the photographer, if you wish to get a natural pleasing picture. When the child poses himself he usually looks twice as artistic as when the photographer arranges each stiff little finger and places the horrible iron head rest at the back of his curls. ## Smart Blouses!

Our Ladies' Dept. is now displaying a remarkably choice selection of Blouses in Crepe de Chine, Silk and Georgette Crepe. These Blouses are distinctly characteristic in style and illustrate Fashion's latest fancy in sleeves and collars, the former are all long with dainty cuffs, while the latter are very deep and quaintly cut.

The new surplice neck is very much in evidence and the entire stock is as charming and up-todate as it can possibly be.

The leading colors are Flesh, Coral and Blue, but there is a wide choice of lovely colors, also Black and Black and White.
