If a Testator

although seeing the benefits to be derived from a Trust Company's administration, hesitates about cancelling any appointment he may have already made, the Montreal Trust Company can be named to act with the Executor or Executors already appointed. In this way the Trust Company co-operates with the Testator's appointees in the administration of the Estate.

This plan is very acceptable when the Testator's wife is named as Executor. Few women have the necessary business training to enable them to carry on the administration of an Estate, but with the co-operation of the Montreal Trust Company the Testator's wife can be appointed with full assurance that the Estate will be well looked after.

Bedrooms & Beds

There's nothing more important to the bedroom than the Bed itself, is there? From the point of usefulness or ornament it ranks first. Does your Bed suit your taste? Does it harmonize with your room? Does it give you the sleep-comfort you need? No? Well, then it's time to discard it and get another, quick.

We are showing All-Brass, Brass and Enamel, and All-Enamel Beds in all sizes and very fine designs. Each and all of which Beds can be fitted with Springs and Wool or Felt Mattresses if desired.

Prices quoted on request.

READYMADES, BOOTS & SHOES, MANTLES, MILLINERY and GENERAL DRY GOODS
clearing at Sacrifice Prices. Sweeping reductions in every department. Terms of Sale strictly cash. No appropriation.

WILLIAM FREW, Water St.

One thing essential in your Winter Coat is QUALITY. One has to wear their Winter Coat for many months, and to stand against this you require the best of material in it.

We have carefully selected our stock of Winter Coatings and feel we have goods that merit your approval. You can purchase enough excellent material to make a coat for \$24.00, and if you wish we can make it up for you, and deliver the finished garment in a week or less if necessary. The material is equal in quality to that in coats which retail at \$70.00 to \$90.00.

We ask you to come in and see the goods, examine them, get samples and prices, compare with others, and come back and purchase the goods.

Templeton's

Local Shares!

Commencing on Monday next, we will open a Local Exchange for the transfer, sale or purchase of all local securities, including Debenture and Victory Bonds. A great many of our clients possess certain local stocks which they sometimes wish to sell, and another section of investors are in the market for these securities. We now invite any investors who have local stocks for sale to register same with us, and all investors looking for local securities are requested to place their orders with us. If we are unable to get the stock you desire or sell the stock you offer, there is no commission or advertising expense chargeable, our method being no service—no fee.

This Unlisted Security Department has no connection with our marginal trading, as we will only buy or sell local stocks outright for cash.

We aim to offer a High Class Service for nominal commission.
