FULL BODIED—FULL FLAVORED.
 Blue Bird Orange Pekoe has strength in a scant spoonful serves where other teas call for a heaping one.
 Strength with flavor—there is a rounded fullness, a full-bodied mellowness to it that stamps it as unique. The explanation lies in the balance between India and Ceylon Teas selected because of their superiority in fragrance, fullness, flavor.

THE "NEW EDISON,"
"The Phonograph with a Soul."
 An artist stands beside the "New Edison" and sings. Without warning the lights go out and the artist steals off the stage leaving the "New Edison" re-creating the singer's voice with such realism that the audience is not aware of the artist's departure until the lights are turned on.
 Write or ask for "What the Critics say."
