Uses 27 Buicks

At the present time we are operating 27 Buick Cars. Some of these were purchased in 1918 and have been rendering dependable and satisfactory service.

We purchased five of the new 1924 cars with four-wheel brakes and I have driven them personally. The performance is good. In fact there is a feeling of safety that does not exist with two-wheel brakes.

The body design is a great improvement over previous models, but the most important feature is the four-wheel brakes.

The Latest**Political Scandal**

CITY SOLICITOR E. L. CARTER LINES UP WITH HAWCO.

WHAT DO ST. JOHN'S TAXPAYERS SAY TO THIS?

The Coaker-Hickman political organ this morning brazenly announces that Edward Leo Carter, City Solicitor, has lined up with M. E. Hawco and will contest the district of St. John's in the interests of the Coaker-Hickman-Gibbs-McGrath outfit. It is hoped the announcement is not correct, and it is that Mr. Carter has resigned the position of City Solicitor. The taxpayers of St. John's East and West will please remember that Edward Leo is paid by them at the rate of \$5,000 a year and is also furnished an office, light, fuel and attendance thrown in, free of cost, equalling a cash value of another \$800. The duties of Solicitor Carter are to legally advise the Council on all matters even against the Government, he having lent himself as a political candidate to Coaker, we fail to see how Mr. Carter in the event of his party being returned but be allowed to advise against the whims and wishes of Coaker who has threatened to make the grass grow on Water St. Coaker in control of a section of the country is bad enough, goodness knows, but the last straw is his effort to get a hold on the City Hall officials. Mr. Carter may be honest and sincere in his political views but surely while occupying the position of City Solicitor he cannot permit himself to associate with Coaker. Nor can he be permitted himself to be associated with this political acrobat named Hawco, a man who takes oath of office in a ministry one day and the next day violates that obligation. If, however, he has allowed himself to be co-opted by Michael F. Gibbs who says he controls the South Shore vote in St. John's District, well and good, the fault lies with Mr. Carter. Now if Mr. Edward Leo Carter has any decency he will resign from the office of City Solicitor, if not a special meeting of the City Council should be held and his resignation asked for, the last alternative is a public meeting of city taxpayers to force Mr. Carter to resign, as the city of St. John's cannot afford to in any way have its solicitor mixed up in a party that is under the control of Coaker.

Yours truly,

TAXPAYER.

Use Cuticura Soap And Ointment To Heal Sore Hands**Child Injured by Passing Team**

Little Carrie, the two-year-old daughter of Mr. Albert Rowe, 73 George Street, was run over by a cab near her home at 6:30 p.m. yesterday and is now lying at the hospital suffering from injuries received. The child, it appears, was playing in the street, and failing to see the approaching vehicle until it was too late, the wheels passed over both legs. She was immediately driven to Dr. Carnella surgery who ordered her to hospital for treatment. An examination at the hospital showed that no bones were broken, but that she was severely bruised as well as having received minor cuts about the face.

THE MINISTER OF EDUCATION.
 (With Apologies to Oliver Goldsmith)

Within the building that is known as Slott's,
 The Education Minister allots
 To supervisors and to other men,
 The wherewithal to go to school again.

As Goldsmith says, a man severe is he,
 That is, of course, as far as eye can see;

His visage I'll admit, is very stern
 And his with him a case of live and learn.

Yet to a joke he is not so averse:
 Though never from his mouth has passed a curse.

Quotations from the classics leave his lips
 As free as water from a full tap drips.

Yet though severe in mien, he still is kind,
 His faults must all be blamed upon his mind.

Which has more knowledge than is held by most
 And this perhaps is quite his longest shot.

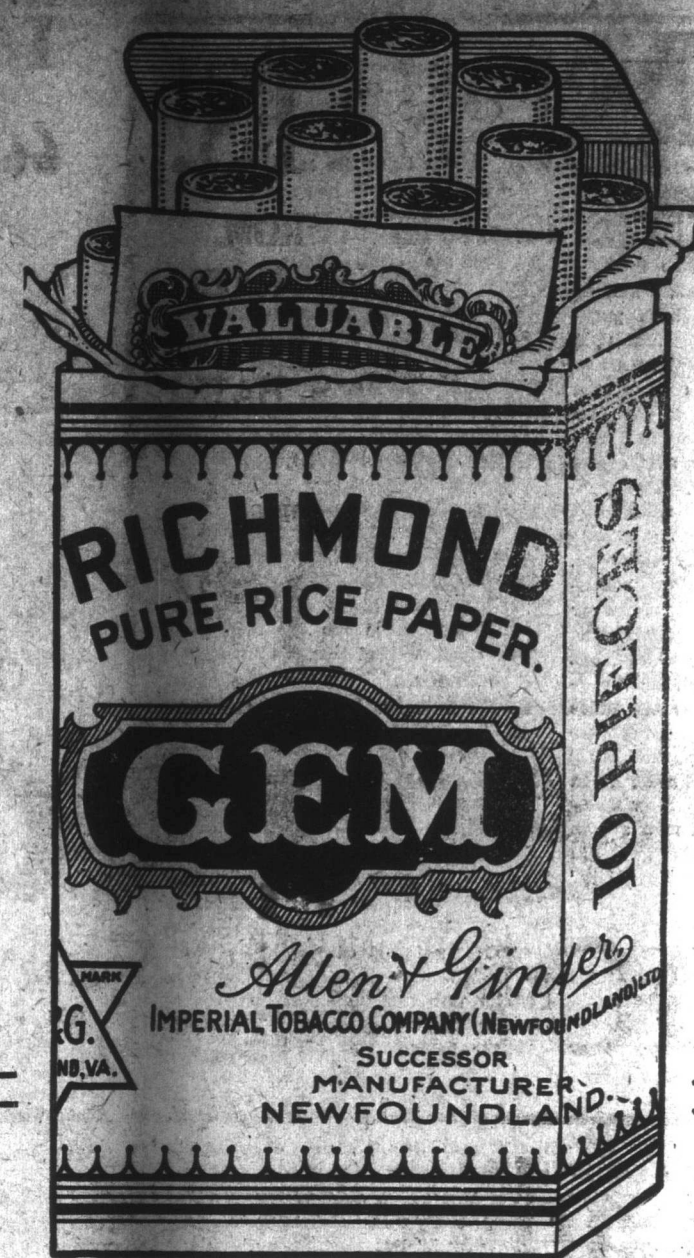

His ideals are too many and when worked out
 Might not be bad, but can't be done without.

That he's the gift of gab none will deny
 And oft his words will strike with wild dismay.

His hearers, by their awful length and sound,
 And with them do his sentences abound.

While all the members of the House would gaze
 And try to comprehend each glowing phrase.

But like his leader, he'll be soon forgotten
 And all his crazy plans will go to rot.
