Special Notices.

Among the many restoratives which nature has supplied to relieve the afflictions of suffering humanity, there is no more powerful or more certain class of medicines than the Medicinal Gum of the Wild Cherry Tree; but however valuable it is, it is power to heal, to soothe, to relieve and to cure is enhanced tenfold by scientific and judicious combination with other ingredients in themselves of equal worth. This happy mingling, exists to a remarkable degree in

Dr. Wistar's Balsam Wild Cherry
Whose value in curing Coughs, Colds, Bronchitis, Whooping Cough, Croup, Asthma, Pulmonary Affections, and Incipient Consumption is inestimable.

Strong Testimony:
From Benjamin Wheeler, Esq., Depot Master of South Royalton, Mass.
"In the spring of 1858 I was most severely afflicted with a hard, dry cough, with its usual accompaniments of night sweats, completely prostrating my nervous system, and producing such a debilitated state of health that, after trying medical aid to no purpose, I had given up all hopes of ever recovering, as had also my friends. At this stage of matters I was prevailed upon through the influence of a neighbor using two bottles of the effect was almost magical. My cough entirely left me, the night sweats deserted me, hope once more elated my depressed spirits, and soon I had attained my wonted strength and vigor. Thus, has this Balsam, as has often been remarked by persons conversant with the above facts, literally snatched me from the yawning grave. You are at liberty to use this for the benefit of the afflicted."
